## *A+ Program Agreement*

---

**I wish to participate in the A+ Schools Program.**

If state funds are available and our high school continues designation as an A+ School prior to my graduation, I may receive reimbursement for college expenses determined by the Missouri General Assembly while attending a Missouri public community college or public vocational/technical school on a full-time basis. This reimbursement may be for the unpaid balance of the cost of tuition subject to legislative appropriation. This financial assistance is on the condition that I meet the following requirements:

1. Attend an A+ designated school for any 2 years of the 4 years prior to high school graduation
2. Graduation from high school with a grade point average of 2.5 or higher on a 4.0 scale (non-weighted GPA)
3. Have at least 95 percent attendance record for the four-year period
4. Graduate with 50 documented hours of unpaid tutoring of students in approved settings. (25% may be job shadowing and 10% may be with a religious organization)
5. Maintain a record of good citizenship and avoid the unlawful use of drugs and alcohol
6. Make a good faith effort to secure federal post-secondary student financial assistance funds during the last semester of senior year. Complete and submit the FAFSA online
7. Score proficient or advanced on a high school math standardized test or minimum score of 17 on ACT Math subscore or a score of proficient or advanced on the EOC Algebra 1 exam. Alternatively, a lower Math ACT score may be approved on the following scale:
  - Math ACT of 16 - GPA of 2.8
  - Math ACT of 15 - GPA of 3.0
8. All males age 18 must register for the Selective Service at [www.sss.gov](http://www.sss.gov)

To maintain eligibility after high school graduation, I understand that I must meet the following requirements:

1. Enroll and attend on a full-time basis a Missouri public community college or public vocational/technical school. (Some scholarships are also available at 4-year institutions.)
2. Maintain a grade point average of 2.5 or higher on a 4.0 scale.
3. Make a good faith effort to secure federal post-secondary student financial assistance each year.
