It is required that this page be signed and returned to the A+ Coordinator) PRIOR to beginning the 50 hours of tutoring/mentoring.

I have attended a training session that is required prior to beginning the 50 hours of unpaid tutoring/mentoring.

I have read the A+ Tutoring/Mentoring Guidelines, and as a peer tutor/mentor, I agree to act with the utmost respect to the student/students involved, the supervising staff, and any other person with whom I may have contact. I agree to be present during my scheduled tutoring/mentoring session or to notify my tutoring supervisor of any absences well in advance.

By my signature below, I further agree to assume assigned tutoring/mentoring tasks at the agreed upon date, time, and location. I also understand that failure to comply with the guidelines of the program may result in loss of eligibility for both the A+ Scholarship Grant and further assignments.
