Secondary Parent/Student Handbook School Year 2018-2019

We consider the *SJCS Parent/ Student Handbook* to be a work in progress. SJCS reserves the right to make changes in policies and procedures as needed throughout the school year. These will be made available to students and families through email announcements. Please be sure to attach new information to your handbook.

Because the PDF online version of this handbook is searchable, it does not contain an index.

Welcome!

August 2018

Dear Students and Families,

Welcome to the new school year! As you have been preparing to send your children back to school, we have been busy preparing to receive them. We count teaching your children as one of our greatest blessings and thank you for giving us the opportunity to do so.

When people think of St. Joseph Christian School, we want them to think *first* of the Lord Jesus Christ. If we lift Him up, He will draw all men to Himself. Building upon a solid foundation of training students to know the Lord and understand His principles, we can offer an academic program that supports the teaching and learning of His truth. By imparting the knowledge and understanding that their lives are embedded in the sovereignty and eternity of God, we can help students discover the plans and purposes God has for each one of them.

Our prayer for SJCS students, staff, families, and friends is that we will want to know the Lord Jesus Christ and use our lives in such a way as to bring Him the honor and glory He so rightly deserves.

You will find this student handbook a very helpful document as you go through the school year. Many of the answers to your questions about SJCS can be found on the following pages, so we hope you will keep it handy and refer to it often. If you have other questions or concerns throughout the year, please do not hesitate to contact your child's teachers, the school secretary, your principal or another of the administrative team. We believe good communication is key for a successful school year for everyone, so we are always glad to hear from you.

For His Glory,

SJCS Administrative Team

Where We've Been

In May of 1988, God gave a local Christian businessman, Joe Gregory, a great desire to see an accredited Christian school established in St. Joseph. Joe wasn't sure how to go about making it happen, but one day he found himself (literally) on his face before God in a hotel room in Texas. "God, please tell me if You want me to do something about a Christian school in St. Joe."

The Lord gave Joe a vision. Joe saw the Lord standing on an incline, in front of two doors of a school building. His arms were open wide, and children by the score were running toward the Lord and into the school. The Holy Spirit impressed upon Joe, "Let the children come to me and don't hinder them."

When Joe returned to St. Joseph, Pastor Ron Nichols, who served on the board of Area Ministers for Christ with Joe, showed him an ad in the St. Joseph newspaper, listing the old Everett school building for sale. Joe grabbed the paper out of Ron's hands and *ran* immediately to the school district office. He found he had only two to three days to offer a sealed bid for the building.

Joe secured a loan for \$40,000 and placed a bid of \$30,000 for the property, keeping back \$10,000 for expenses such as painting, purchasing desks, etc. The St. Joseph School District accepted Joe's bid, and the building became the property of Area Ministers for Christ, which soon became the parent corporation to St. Joseph Christian School.

Area Ministers for Christ established a committee to identify a school board to hire a principal. Now the board wondered, *Where do you go to find a Christian school principal?* One day Joe happened to be speaking to another local pastor who told him about the Association of Christian Schools International (ACSI). The board then arranged to interview several candidates for principal.

Mr. David Berry was hired as St. Joseph Christian School's first principal in July 1988. At that time, there was not a desk, chair, or telephone in the building! Within two months, however, through miraculous acts of God and by the work of His servants, the school was ready, and SJCS opened on September 12, 1988, with 135 students and ten teachers!

Throughout the years God's hand moved in more miraculous ways. In October 1990, the school held its first fundraising dinner campaign, "Invest in a Child." In 1991, the school held its first Grandparents' Day.

During school year 1993/1994, SJCS undertook the hard work to become accredited with the Association of Christian Schools International (ACSI) and the Committee for Accredited Schools Non-public, through the University of Missouri at Columbia. Our students were then eligible to participate in the Missouri State High School Activities Association (MSHSAA), giving them the opportunity to compete against public school counterparts in athletics, fine arts, and other competitions. Since then, students have also become eligible to receive the State of Missouri's Bright Flight Scholarship and participate in the National Merit Program.

When Mr. Berry left SJCS in 1998 to take a position as principal of a Christian school in the Cayman Islands, he wrote these words: "Throughout the (past) decade much has been accomplished at SJCS because of the work and prayers of countless, faithful friends. The Lord has done much. . . ."

Mr. Rich Fox became the new administrator of SJCS in the fall of 1998. Due to the school's

incredible growth, Mr. Fox, at the direction of the school board, began to pursue a building program, which became known as the Nehemiah Project. Also, during his first year at SJCS, the school became accredited by North Central Association of Schools and Colleges. The brand new 8-man football team practiced on the school's asphalt playground and held games on a baseball field at Hyde Park that was adapted for the purpose!

God's faithfulness through the Nehemiah Project soon enabled the school to implement plans for the new facility. A prayer meeting was held to dedicate the new property, gift of an anonymous donor, at the corner of Gene Field and Bishop Roads. Imagine the surprise when construction began *down the hill*, at the corner of Gene Field and Riverside Roads! The One for certain, who was not surprised was the Lord Himself, who knew all that "prayed for" dirt would need to be moved down the hill to provide solid footing for the new school building. Once again, His hand was in the details!

The elementary grades, staff, and teachers moved in the summer of 2002, with secondary students having access to the new gymnasium, football field, and track. Curriculum director, Mrs. Debbie Robertson, facilitated implementation of the Foundations and Frameworks Reading Program for elementary students in 2003.

Over the next few years, a media center and twelve additional classrooms were completed at the new campus and secondary faculty, staff, and students were able to move for the 2005/2006 school year. The "old building" at 14th and Olive Streets was closed and sold in the summer of 2005.

In the spring of 2006, Mr. Fox shared with the Board his sense that God was calling him to something new. Mrs. Lydia Zuidema became the new lead administrator of SJCS in the summer of 2006; Mr. Danny Maggart became the secondary principal, Mrs. Rose Dunlap the elementary principal, and Mrs. Connie Thornton the administrator of curriculum and instruction.

During school year 2007/2008, St. Joseph Christian School celebrated its 20th anniversary, offering thanksgiving for all that the Lord had done, including that our capital campaign for the new campus, \$7.9 million, was paid in full!

In the following years, the mag-lock system and security cameras were installed and a school receptionist hired, the OneCallNow communications system was implemented, the school library was automated, and an aftercare program was established. Students continued to excel academically as well as in extra-curricular areas, often scoring several points above the state norms on standardized and college entrance exams, and receiving honors and advancing to state in athletics, scholar bowl and the arts.

In the beginning, SJCS used missions materials generated by The Association of Christian Schools International for a week of missions-focused activities, instruction, and outreach, as well as participating in the Operation Christmas Child shoebox program. When ASCI no longer provided these materials, the Lord led the administrative team in creating their own so that missions education, one of the school's core values, could continue. In the following years, students studied and raised money for a Native American school, a project in South Africa, Bethlehem Bible College, and a *Jesus Film* mission trip to Afghanistan for two high school Bible teachers, as well as serving in our own community as the hands and feet of Jesus.

The missions program of the school continued to grow as secondary students began conducting two community service days a year and all students, PK through 12th grade began raising funds for a clean drinking water well at Kind-Hearts School, Ethiopia. In total, the Lord used SJCS to raise over \$37,000 for the project and wove together the hearts of our students and staff with those half-way around the world in a very special way. In the spring of 2011, Mr.

Maggart was the first administrator to travel with a group including our own high school students to Kind-Hearts School to see the well and minister to children there. SJCS considers the development of our students' hearts for missions, which has carried them from serving in their local churches and the St. Joseph community to Guatemala, the Dominican Republic, Haiti, the Netherlands and wherever the Lord may lead, to be one of the Lord's dearest accomplishments through us.

In the fall of 2012, Mrs. Zuidema announced she would retire at the end of the 2013/2014 school year. During that year, Mrs. Zuidema and Mrs. Thornton led SJCS faculty and staff in completing preparations for an ACSI accreditation team visit in April. We rejoiced as SJCS was recommended for another 5-year cycle of accreditation.

The school family could think of no better retirement gift for Mrs. Zuidema than to send her on the spring mission trip to see the water well at Kind-Hearts, a journey she found "unspeakably moving, to see what the Lord has done!"

Mr. Ron Moutray, board president, announced with great conviction in the spring of 2014, that after a year-long search, board members were led to hire Dr. Jason Tindol as the next superintendent of St. Joseph Christian School, and voted unanimously to do so.

The Lord continued to graciously bless and move His work forward under Dr. Tindol's leadership. The FACTS Tuition Management Program was implemented, an emphasis on fine arts facilitated rewarding growth in both vocal/band and visual arts, the Elementary Sports League began welcoming students city-wide & the first pitch of Lion's Baseball was thrown on our own beautiful new field, as well as the ongoing development of improved benefits for all faculty/staff.

In June of 2018, the school board accepted Dr. Tindol's resignation with well-wishes as he followed the Lord's leading to a position in Washington state.

Who could have imagined when the Lord told Mr. Gregory to "let the little children come" that He would work through the "little children" of St. Joseph Christian School to draw "little children" across town and around the world into His saving embrace? As we continue to lift up the Lord Jesus Christ, we are grateful that God in His sovereignty continues to bless the skills, talents, commitment, and prayers of the parents, teachers, staff, students, and friends of SJCS. As we rest waiting prayerfully, for the Lord's direction regarding a lead administrator, we look forward with eager anticipation to see what more He may do in us and through us as we follow Him!

What We're About

STATEMENTS OF PURPOSE 8/2013

VISION

To glorify Jesus Christ by assisting the home and the church in equipping students to impact their world for Him.

MISSION

To provide students a biblically-based pre-k through twelfth grade educational program that strives for excellence in the development of young men and women who will know and serve Jesus Christ with all their heart, mind, and strength. SJCS will partner with families, churches, and the community to provide students a wide-range of educations, mission and service opportunities, based on a biblical worldview.

PHILOSOPHY

St. Joseph Christian School is a non-denominational, private Christian school strategically located to serve pre-k through twelfth grade students from the Northwest Missouri/Northeast Kansas area. **The school's purpose is to partner with Christian families in their God-given responsibility to encourage, discipline, and instruct their children.** Based in a biblical worldview, instruction at SJCS builds in core curricula at the lower levels and expands to provide college-preparatory course-work at the upper levels.

CORE VALUES: SJCS

Scholarship: Maximizing academic achievement for all students.

Jesus Christ: Encouraging all students to make Jesus Christ LORD of their lives.

Character: Encouraging development of Christ-like character in all students.

Service: Providing opportunities for all students to serve Jesus Christ by serving others.

STATEMENT OF FAITH

The Word of God

The Word of God, in both the Old and New Testaments, is inerrant as originally given. It is inspired by God, and it is the complete revelation of Himself to man. It is the consistent, only word of God (2 Tim. 3:16–17; 2 Pet. 1:20–21; Rev. 22:18–19).

God

There is one and only one living God. He is infinitely perfect, existing eternally in three persons: Father, Son, and Holy Spirit (1 Tim. 1:17; Matt. 28:19; Mark 1:10–11).

Jesus Christ

Jesus Christ is the eternal, only Son of God, who was conceived by the Holy Spirit and born of a virgin birth. Jesus is truly God and truly man. He died on the cross as a substitutionary sacrifice. All who believe in Jesus by faith are justified on the basis of His shed

blood on the cross. Jesus died and physically rose again after three days and ascended into heaven where He is exalted at the right hand of the Father. He will physically return to judge the world and establish His kingdom (John 1:1–3; Isa. 7:14; Matt. 1:18; 1 Cor. 15:3–4; 1 Tim. 1: 15–17).

The Holy Spirit

The Holy Spirit is sent to indwell, guide, teach, and empower believers. The Holy Spirit convicts the world of sin, righteousness, and judgment (Acts 2:38; Eph. 1:13–14; 1 Cor. 6:19; John 16:7–8).

Mankind

Mankind was originally created without sin and in the image and likeness of God. He sinned through disobedience and incurred physical and spiritual death. The eternal soul of a man is given at conception, and as eternal, will experience either eternal life in heaven or eternal death in hell, based upon one's relationship with Christ (Gen. 1:26, 27; Ps. 139:13–16; Jer. 1:5; Rom. 3:23; Rev. 20:10–15; 1 John 5:11,12).

Salvation

Salvation has been provided through the death and resurrection of Jesus Christ for all who by faith believe in Him as Savior. All who personally accept Him as Savior are born again and receive the Holy Spirit, the gift of eternal life, and become children of God (John 1:14–18; 1 Cor. 15:3–4; Eph. 2:8–9; 1 John 5:9–13; John 1:12).

ACCREDITATION

St. Joseph Christian School is fully accredited grades K–12 by both the Association of Christian Schools International (ACSI) and North Central Association of Schools and Colleges (NCA)/AdvancED.

CHARACTERISTICS OF ST. JOSEPH CHRISTIAN SCHOOL

St. Joseph Christian School is a non-denominational school, grades pre-kindergarten through twelve, sponsored by the Area Ministers for Christ Corporation. (Full- and half-day pre-kindergarten is available to four and five year olds (child must be age four by July 1). Kindergarten through sixth grade offers music, physical education, art, and technology classes in addition to regular studies and library/research skills. Fifth and sixth grade students are offered band as an optional course. Students have Bible class Monday through Thursday and Chapel on Friday. (This schedule may change occasionally.)

EXPECTED STUDENT OUTCOMES

Scholarship: SJCS students and graduates are well-prepared in the academic disciplines and are skilled in reading, writing, speaking, listening, and communicating with others. They think critically to solve problems and use discernment when approaching the world. They view the world through the lens of Scripture and hold a distinctively biblical worldview. They develop their minds, bodies, and talents in order to present themselves workmen approved by God. (2 Timothy 2:15)

Jesus Christ: SJCS students and graduates are born-again believers who live a faith walk that is aligned with biblical teachings. They are committed to a personal relationship with Christ in which He is the leader and guide. They know, understand, and apply God's Word and are able to articulate the gospel message. They live a God-centered life, using their spiritual gifts to reach and minister to others. (I John 4:7-8)

Character: SJCS students and graduates are empowered by the Holy Spirit to demonstrate the fruit of the Spirit as they relate with others. They show integrity in all areas of life including relationships, work, finances, leisure, and citizenship. They exhibit strong Christian character based on their Christ-like values. They honor God through their actions, thoughts and words. (Galatians 5:22-23)

Service: SJCS students and graduates are actively involved in a Bible-believing fellowship, serving God and others. They are personally prepared to carry out the Great Commission both locally and globally in ways that are culturally sensitive and founded on biblical truth. They demonstrate the love of God by being individuals who embrace and live out a "biblical world-do." (Matthew 28:18-20)

PHILOSOPHY STATEMENTS AND SCHOOL-WIDE LEARNING GOALS

Bible: The study of the Word of God is the foundation and core of the entire academic program at SJCS. Because the school's mission is to provide students with a biblically-based education that inspires students to know and serve Christ with all their heart, mind, and strength, the Bible is used as a text book, yet is understood to be the living Word of God. Knowing and believing the Scriptures serve as a single lens through which everything is viewed and evaluated.

School-wide learning goal: Students know, understand, and apply God's Word, taking advantage of opportunities to share the gospel message through explicit and implicit means.

Math: God is both rational and infinite. The study of mathematics helps students to understand that God provides order in an abstract world. It promotes critical thinking and requires diligence and perseverance. Students become lifelong problem solvers who are precise and exact in their thinking and communications. Higher order thinking prepares students for the successful realization of their God-called careers and goals.

School-wide learning goal: Students know, understand and apply mathematical concepts and skills with proficiency, bringing honor to God through their thinking and their work.

Language Arts/Reading: God gave us the gift of language so that we may know Him and tell others about Him. The greatest example of meaningful communication was demonstrated when he showed His love for us through the death and resurrection of His Son, Jesus. The study of language arts enables students to express themselves clearly and creatively to God and others. Learning to read critically with fluency and comprehension allows students to understand God's Word and apply it to their lives.

School-wide learning goal: Students know, understand and apply the concepts and skills of language acquisition and development, communicating proficiently through the spoken and written word in ways that bring glory to God.

Science: All of nature reveals and reflects the glorious majesty of God. The study of science challenges students to consider the intelligent design of the universe, from the vast expanses of space to the intricacies of the tiniest elements. Students understand that mankind is a special and unique creation, fashioned in the image of God. Although caring for the earth is man's responsibility, students know that it is the Creator who is to be worshiped, not the creation.

School-wide learning goal: Students know, understand and apply science concepts and skills with intelligence, recognizing the power and control of God, the Creator.

Social Studies/History: History is the record of God's work in creating all things and overseeing the individuals and nations who inhabit the earth. God sovereignly and actively orchestrates the events of history and directs the affairs of men and nations to accomplish His will. Nothing in history is accidental. The study of history helps students to learn from the successes and failures of others and provides a window into the heart of God as He lovingly draws all men unto Himself. Ultimately, history is the account of God's redemption of sinful men.

School-wide learning goal: Students know, understand and apply lessons learned from the study of historical events with thoughtfulness, making godly decisions for the future based on knowledge of the past.

Visual and Performing Arts: God created music and dance. These things are demonstrations of worship to Him. He placed in mankind an appreciation for beauty and artistry. The study of the visual and performing arts enables students to learn to use their gifts in ways that bring honor to God. Students creatively express the attributes of God and nature and inject biblical truths into the artistic arena. They learn to discern godly art work from that which glorifies sinful behaviors.

School-wide learning goal: Students know, understand and apply the concepts and skills of the visual and performing arts with appreciation, acknowledging God's creation of things artistic and graceful and using them in worship to Him.

Physical Education/Health: SJCS is dedicated to developing the whole child - spiritually, academically, emotionally, and physically. Physical education provides the opportunity for students to improve their ability to move and engage in the work God has given them to do. It promotes lifelong fitness that encourages wellness and agility. Students learn to get along with others and work toward a common goal. They also develop Christian character through both winning and losing. Health education allows students to take responsibility for caring for their own bodies in ways that support good health and bring glory to God.

School-wide learning goal: Students know, understand and apply the concepts and skills of physical fitness and health, committing to live a lifestyle of wellness that enables God to use individuals for His purposes.

Foreign Language: The study of foreign languages enables students to broaden the sphere of those to whom they may bring the Good News. Students learn to communicate with those from other backgrounds, ethnicities, and nationalities. They express themselves to others clearly and effectively. Learning foreign languages and studying unfamiliar cultures promotes critical thinking and allows students to understand that God is at work around the globe among all people groups.

School-wide learning goal: Students know, understand and apply the concepts and skills of foreign language acquisition and development, communicating proficiently with people of differing ethnicities and nationalities in pursuit of spreading the salvation message of Jesus Christ.

Technology/Computer: Technology is an ever-changing and increasingly-integral part of the world. Learning to use the tools it provides is essential today. Students employ the skills they learn to communicate their ideas and beliefs to others, both near and far. Students use the Internet in ways that please God and they generate products that accomplish a multitude of goals. They give proper credit to others for their work and conduct themselves in an ethical manner when using technology. Critical thinking and evaluation are fundamental components of using technology wisely and appropriately.

School-wide learning goal: Students know, understand and apply the concepts and skills associated with using technology ethically and competently, being innovators who employ all appropriate tools in the quest for reaching the world with God's message of hope.

AREA MINISTERS FOR CHRIST (AMC) STATEMENT OF POSITIONS

- 1. Biblical Worldview** - The AMC defines "biblical worldview" as believing that absolute moral truths exist and that such truth is defined by the Bible.
- 2. Creation verses Evolution** - The AMC believes that the universe was purposefully created by God to bring Him glory and not by random chance (evolution). Although the AMC board members personally believe in a literal six-day creation, affirming God's omnipotence to have created a fully mature world in six literal days (for example, we believe Adam was fully mature at creation, though only seconds old), we do not take sides in the debate between "old earth" and "young earth" creationists.
- 3. America's Christian Heritage** – The AMC affirms the Christian heritage of the United States of America while acknowledging many political and societal failures in our nation's history.
- 4. Education** – The AMC believes that the highest goal of education should be to honor and glorify Jesus Christ.
- 5. Evangelism** – The AMC is committed to reaching the world with the gospel of Jesus Christ

and resolutely asserts that faith in Jesus Christ is the only way to God (salvation).

6. **Marriage** – The AMC defines marriage as a sacred, life-long covenant between one man and one woman.

7. **Children** – The AMC affirms that children are a gift from God and that parents will give an account to God for the nurturing and training of their children.

8. **Family** – The AMC affirms the “nuclear” family as the building block of society, ideally comprised of two parents, a husband and a wife, and any children produced by their union or through adoption.

9. **The Sanctity of Human Life** – The AMC affirms a pro-life position regarding the unborn, the aged, and the mentally or physically challenged. The AMC resolutely stands against abortion, embryonic stem cell research, the “harvesting” of human embryos for any purpose, and euthanasia.

10. **Sexuality** – The AMC believes that heterosexual unions outside marriage, homosexual unions, sexual abuse of children and the use of pornographic materials are sinful, deviant behaviors.

11. **Social Responsibility** – The AMC believes that Christians are called upon by God to defend and support the family, church and government according to God’s intended (biblical) purpose for each.

12. **Unity of the Faith** – The AMC affirms that, despite our individual doctrinal preferences and distinctions, all believers in Jesus Christ who hold to the basic tenants of salvation by faith in Christ alone are valued members of the Body of Christ and we strongly support and celebrate the distinctives that bring strength to the whole.

NON-DISCRIMINATION POLICY

SJCS does not discriminate on the basis of race, color, national, or ethnic origin in the administration of its educational policies, admissions policies, sponsorship programs, athletic programs, and other school-administered programs.

SJCS PHILOSOPHY/PROCEDURES COMMITMENT

We at SJCS believe that the responsibility for training a child rests on the shoulders of his/her parents. By enrolling at SJCS, parents delegate the responsibility of formal education to the school. The school board, staff and faculty of SJCS desire to work with parents in building a solid foundation on biblical truths. The school cannot and will not replace the roles of the home and church. In fact, the child who benefits most from attending a Christian school is one whose parents faithfully participate in a Bible-teaching church and diligently train themselves and their family in the discipline and instruction of the Lord. It is very difficult for a Christian school to spiritually train children effectively without wholehearted support at home.

Many would agree that American culture has changed a lot in the last several decades. One of the most significant cultural shifts is evidenced in what people believe is acceptable in the realm of human sexuality. Some people (including many who consider themselves Christians) are tolerant of aberrant sexual behavior, whether it is the use of pornography,

engaging in premarital sex, cohabitation, marital infidelity, or homosexual behavior. We believe authentic Christianity shows itself in a lifestyle committed to Jesus Christ and biblical teaching; one that holds itself accountable to a local fellowship of believers in Jesus Christ.

At SJCS we consider it essential that parents understand and clearly support the school's philosophy/purpose statements, the policies and the procedures of the school, and the accountability of parents to God for the training of their child(ren). SJCS policy requires that at least one parent of each SJCS student be a born-again Christian who is actively involved in a local evangelical church and displays Christ-like character in his/her lifestyle and character. In addition, each student (grades 7-12) must be a born-again Christian, committed to holy living and the pursuit of excellence in their education. Students must evidence that they are under the authority of their parents and seek to live a life that is above reproach. All enrolled students must attend a local evangelical church on a regular basis.

A copy of the Philosophy/Procedures Commitment Form must be filled in completely, signed by parents (and students 7-12), and received by the admissions office before the student will be considered enrolled at SJCS. In addition, we must have on file in the admissions office:

- the name and address of the church(es) the family has attended in the past twelve months;
- a description of attendance (We understand that families are sometimes in the process of finding a new church. If this is the situation, a family may explain.);
- the name and phone number of a church leader (pastor, youth worker, Sunday School teacher, deacon, etc.) who can validate the information provided.

The Philosophy/Procedures Commitment includes:

SJCS expected standards of conduct regarding human sexuality: The biblical and philosophical goal of St. Joseph Christian School is to work with the home in developing students into mature, Christ-like individuals, who will be able to exhibit a Christ-like life. Of necessity, this involves the student and home understanding, agreeing with, and exhibiting those major qualities or characteristics of a Christ-like life. If the home lifestyle and beliefs are contrary to the school's teaching, the conflict raises significant biblical issues (Amos 3:3: "How can two walk together unless they be agreed?"). To enroll a student, or while a student is enrolled at St. Joseph Christian School, parents and students are expected to exhibit the qualities of a Christ-like life espoused and taught by the school and to refrain from certain activities or behavior. Thus, St. Joseph Christian School retains the right to expel, withdraw enrollment from, or refuse enrollment to any student if said student, their parent, guardian, or their parent's "significant other" engages in, condones, supports, or otherwise promotes sexual immorality, transgender activity (including cross-dressing of any type), professed or practicing homosexual/bisexual activity, or the use of pornography. (See Lev. 20:13; Rom. 1:27)

SJCS church attendance requirement: St. Joseph Christian School was birthed from a vision God gave SJCS founder, Joe Gregory, in 1988, and exists as a ministry of the Area Ministers for Christ (AMC) Corporation. The AMC is comprised of area leaders who share the conviction that the Christian home, the Christian school, and the local evangelical church are foundational to the development of a Christian school student. Therefore, since its inception, parents and students enrolling at SJCS have done so with the understanding that attendance at their local evangelical church is essential for enrollment. This document reaffirms that

requirement. Each family must have a current pastor's recommendation on file with the admissions office before their student(s) will be considered enrolled and able to attend classes (Hebrews 10:24, 25). Exceptions to the church attendance requirement may be made by the school board, at its sole discretion.

SJCS spirit of unity agreement: St. Joseph Christian School's educational mission involves working with the home in the overall Christian education of students. On occasion this cooperation between the school and home may become difficult. To avoid such situations, the school requires that, in order to maintain their student's enrollment, parents must affirmatively support and cooperate with the school. Parents must agree to support the school with their prayers and with a positive attitude. They must also follow the Matthew 18 principle: Complaints or negative comments will be shared only with the teacher, administrator, or person involved and not with other people. Parents must understand that if at any time the school determines at its sole discretion that a parent's actions do not support the ministry or reflect a lack of cooperation and commitment to the home and school working together, the school has the right to request the withdrawal or to disenroll the student.

Agreement with Area Ministers for Christ/St. Joseph Christian School Philosophy: In signing the Philosophy/Procedures Statement, parents commit to upholding the SJCS Statement of Faith, the SJCS Spiritual Objectives, the SJCS Purpose Statements, and the AMC Position Statements, and will abide by the philosophy and procedures as listed in the SJCS handbook, located on the website at www.stjosephchristian.com. Failure to uphold these philosophies will result in enrollment at SJCS being denied.

ST. JOSEPH CHRISTIAN SCHOOL BOARD

Purpose and Responsibility

As the fiduciary group designated by the Area Ministers for Christ Corporation, the school board seeks God to determine His will for the school, establishes policies of operation, devises ways and means to fund the school, recommends the hiring of the Lead Administrator to the Area Ministers for Christ board, approves the hiring of all staff and faculty with recommendations from school administrators, approves the annual budget and determines short and long-range goals.

Job Description

Purpose: To establish policy for the operation of St. Joseph Christian School which is sponsored by the parent corporation, Area Ministers for Christ Corporation.

Immediate Supervisor: The Area Ministers for Christ Board of Directors.

Functions and Responsibilities:

1. To diligently seek God's will for the school and make policy decisions in accordance with His leading.
2. Devise ways and means for funding operation of school and determine how these funds shall be distributed.
3. Determine long- and short-range goals.

4. Approve an annual budget.
5. Approve all curricula and teaching methods.
6. Approve annual school calendar.
7. Approve job descriptions for all staff and administration with input from immediate supervisor of each position.
8. Select and interview candidates for chief administrator position. Recommend chosen candidate to Area Ministers for Christ board who officially employs chief administrator.
9. With recommendation from chief administrator or immediate supervisor, approve employment of all staff and personnel.
10. Make recommendation of St. Joseph Christian School board candidates to Area Ministers for Christ board that appoints and removes school board members.
11. Establish policies of operation for school and maintain and update a Policy Manual. The Policy Manual will include all current written policies for the total operation of the system, job descriptions of all staff, personnel and administrative positions and a description of committee functions and procedures.
12. Members may not interfere with daily administration of the school.
13. Members should not miss more than two board meetings per year unless special circumstances preclude attendance.
14. Perform other duties and functions commensurate with the needs of the school.

Term of office: three years beginning month of appointment by Area Ministers for Christ Board of Directors. A member may serve for three consecutive terms, but then must be off the board for a minimum of one year.

Qualifications

1. Board members represent a broad spectrum of representation from area evangelical churches.
2. Spiritual Qualities
 - a. Has accepted Jesus Christ as personal Lord and Savior. (Rom. 10: 9-10)
 - b. Demonstrates a conviction that God has called him/her to become involved in a Christian school ministry. (Rom. 11: 29; 12: 6-7)
 - c. Demonstrates a consistent outward evidence of an inward Christian character. (2 Peter 1: 5-11)
 - d. Maintains a regular, contributing involvement in an evangelical church having a doctrine which is in agreement with the school's Statement of Faith and which is scripturally sound in its teaching. (Heb. 10: 23-25)
 - e. Is convinced of the importance of prayer and a daily time of meditation in the Word of God and actively pursues a relationship with God. (Ps. 42: 1-2)
 - f. Demonstrates spiritual maturity, a teachable spirit; and has a clear conscience before God and man. (Titus 2: 2-8)
 - g. Has a workable knowledge of the Word of God, knowing how to feed himself spiritually. (2 Tim. 3: 14-17)
3. Family Home
 - a. Demonstrates a conviction to fulfill the responsibilities to one's spouse as outlined in Ephesians 5: 22-33, and views marriage as a reflection of the relationship between Christ and His church.

- b. Family provides a positive testimony for Jesus Christ. (Eph. 6: 1-4)
 - c. Demonstrates sexual purity. The only acceptable sexual relationship is within the bonds of marriage between a husband and wife. (Rom. 1: 26-27; 1 Cor. 6: 17-20)
 - d. Each board member having qualified children shall have them enrolled in St. Joseph Christian School.
4. Spouses of currently serving board members may not be employed by the school in positions of authority or as faculty that would impinge the impartial judgment of the board member or administration.
 5. The children of currently serving board members may not be employed by the school.
 6. Board members must be team players: able to work as a group reaching joint decisions. Board members must not advance a particular agenda.

Selection Process

1. Nominations for SJCS board members may come from the school administrators, Area Ministers for Christ Board of Directors, and/or the St. Joseph Christian School Board of Directors, and/or the parents of currently enrolled SJCS students (Form is at the end of this section). Once a recommendation has been given to the board chairman it is his/her responsibility to direct the recommendation to the school board and issue a prospective board member packet if necessary.
2. Qualifications for SJCS board members are given to the nominee(s) along with a prospective board member packet which contains:
 - a. Detailed selection process
 - b. Pastor/deacon recommendation form
 - c. Nominee self-evaluation form
 - d. Study materials
3. Nominee(s) carefully consider the SJCS board member qualifications in prayer seeking God's direction. In response to God's direction, the nominee(s) indicates whether s/he would like to continue the selection process with an interview by the SJCS board.
4. Each nominee is interviewed by the SJCS board. Following the interview, board members decide whether to recommend the individual to the Area Ministers for Christ Board of Directors for the final interview.
5. The nominee is interviewed by the Area Ministers for Christ Board of Directors. The Area Ministers Board makes the final decision on appointment of the nominee to the SJCS Board of Directors.

Offices and Duties

The Board of Directors shall elect from its membership the officers of chairman and vice-chairman. The secretary may be elected from the Board or serve on the staff in another capacity as the board deems appropriate. The term of each officer shall be for one year. Officers may be re-elected. At least one member of the AMC Board of Directors must be a member of the SJCS Board of Directors.

The authority and responsibility of the officers are:

The Chairman shall coordinate the workings of the Board of Directors, preside at all meetings of the board, and is an ex-officio member of all committees of the board.

The Vice-chairman shall perform the duties of the chairman in his absence and shall have any other duties determined by the Board of Directors.

The Secretary shall record and maintain a file of minutes of the Board of Directors and any other records, as determined by the Board of Directors. The secretary shall be responsible for all correspondence of the Board of Directors.

2018/2019 School Board Members

Chairman - Ryan Walker - ryanwalkerunmc@yahoo.com

Vice-chairman - Carol Davison - cjd7657@yahoo.com

Secretary - April Childs - aprilmchilds@gmail.com

Frank Freudenthal - frankf6767@mac.com

Joe Freudenthal - joefreudenthal@gmail.com

David Gregory - dgregory5978@gmail.com

Ron Hook – RHook@co.buchanan.mo.us

Ron Moutray - ronandbeth@hotmail.com

Brian Urwiller - burwiller@gmail.com

Brad Weil - bradmweil@gmail.com

The **board chairman** is an ex-officio member of each board committee and may attend and vote at all committee meetings.

The **executive committee of the board** is empowered by the board to act on behalf of the board on emergency issues that may arise between board meetings.

The SJCS board usually meets once a month during the school year and as needed during the summer; time and location to be determined by the board. Parents are welcome to attend; please contact the board chairman for specifics.

ST. JOSEPH CHRISTIAN SCHOOL
School Board Member Recommendation Form *For SJCS Parent Use*

I recommend _____ for consideration as a St. Joseph Christian School Board Member in accordance with the school's board selection process as outlined in the student handbook.

____ I believe this person meets the board member qualifications as outlined in the student handbook.

____ I believe this person is able to work well with others, striving toward a consensus in decision making.

____ I believe this person is able to keep strict confidence.

I believe this person would be a positive addition to the SJCS board because _____

Parent signature _____ Date _____

Please send completed and signed form to the school office addressed **ATTN: School Board President**.

PARENTAL INVOLVEMENT

Communication

Because God has given parents the responsibility to train their children, it is imperative that they know what is happening in their child's school life. We feel that open and clear communication between school and home is important to the success of our educational program.

Administrators and teachers communicate with families through email announcements, Facebook, personal email, by phone and conferences.

Families may communicate with administrators and teachers via email (teacher's last name and first initial @ stjosephchristian.com) or by calling the school, 816-279-3760.

ST. JOSEPH CHRISTIAN SCHOOL USE OF PERSONAL IMAGE/NAME OPT-OUT FORM 3/2017

St. Joseph Christian School reserves the right to use the personal images and names of employees, enrolled students and their families for the purposes of communication and promotion of the school. Accepting employment or enrollment at SJCS implies consent for such use. Examples of how personal images and names may be used include, but are not limited to, pictures/text on the school website, social media platforms (primarily Facebook at present), live streaming video, video highlight films, promotional print and local newspaper publications.

An individual who objects to the use of his/her own or his/her child(ren)'s image/name as described above, must complete, sign and submit this opt-out form. Individuals only need to fill out this form if they do not grant permission for the use of their own or their child(ren)'s image and name by the school.

**Non-return of this form implies consent.
This form does not apply to the school's yearbook.**

.....
I do not grant permission for my own and/or my child(ren)'s personal image/name to be used for the purposes of communication and promotion of SJCS as described herein. I understand this opt-out will remain in effect until I request in writing that it be removed.

Student name(s) _____

Individual/parent/guardian name (print) _____

Individual/parent/guardian signature _____

Date _____

SJCS does not discriminate on the basis of race, color, national, or ethnic origin in the administration of its educational policies, admissions policies, sponsorship programs, athletic programs, and other school-administered programs.

Problems/concerns

At SJCS, we strive to deal with problems and concerns in a Christ-like manner. Disagreements with other families, teachers, and administrators are handled according to the principles explained in Matthew 18:15 - 17. The appropriate steps for addressing problems/concerns are:

- Go to the person with whom you disagree. Please refrain from sharing your concern with others.
- If unresolved, ask the principal for a conference with the person(s) involved.
- Any further concerns may be taken to the school board.

Additionally, please keep in mind the following:

- Do not assume you have all the facts. Remember that there are two sides to every story.
- Refrain from gossip. Gossiping can be easy to do when conflict is occurring.
- Agree to disagree. Not all of us are going to agree on every issue every time.

Volunteerism

One distinction of the body of Christ is the Holy Spirit's work in uniquely distributing gifts to each member of the Body (I Corinthians 12: 4-7, 11 NLT).

As members of Christ's Body functioning in ministry together with administrators and teachers to "equip students to impact their world for Christ," families are asked to share their many and various gifts and abilities with the school in any number of ways.

As an excellent way for families to participate in the school's ministry, each family is asked to abide by the school's policy to contribute and log at least twenty hours per school year in volunteer work. To assist parents in this, each family is asked to complete a Parent Volunteer Form as part of the enrollment process. Information from this form is logged into a database that allows the school to notify parents of volunteer opportunities in their area(s) of interest throughout the school year. Ultimately, however it is the responsibility of parents to fulfill their volunteer hours and record them in a notebook located just outside the elementary office.

Examples of volunteer opportunities might include:

- Athletic events
- Building maintenance
- Classroom help; bulletin boards, field trips, parties, filing, etc.
- Computer support
- Fundraising (see below)
- Library
- Parent Teacher Fellowship (see below)
- School mailings
- Snow removal/ Grounds care
- Serving lunches

School budget/ Fundraising

Because the school board/administration is committed to being good stewards of the resources of which we are entrusted, careful and prayerful consideration is given to the school's annual budget. We greatly appreciate the volunteer efforts and financial generosity of our school families and friends, which make possible a variety of services and opportunities that might be difficult to offer otherwise.

Tuition and fees at St. Joseph Christian School have been set well below the actual cost of educating students because it is the desire of the school board and administration to support families of varying incomes in realizing their desire to provide a Christian education for their children.

Various ***Faith Promise Annual Fund*** activities/events held throughout the year, offer interested persons opportunities to contribute to the school financially. One-time and monthly gifts are also welcome.

Parent Teacher Fellowship (PTF)

The Parent Teacher Fellowship is a service organization that aids the school and its families, with a mission to foster fellowship among families and teachers, ultimately bringing the home and the school into a close relationship.

Every parent becomes a member of our Parent Teacher Fellowship upon enrolling their student(s). Teachers and staff complete our membership.

PTF's executive committee consists of six officers: president, vice-president, secretary, treasurer, chaplain and elementary executive room coordinator. Parents only, no members of the school board, teachers, or staff are elected to these offices.

The PTF Board consists of the executive committee and the class representatives. Parents serve as the PTF representative and the PTF room parent in each class.

The PTF Representative (PK-12th grade):

- Attends PTF meetings.
- Communicates to class parents the activities and needs of the PTF.
- Organizes the food donations for the monthly teacher in-service and parent/teacher conferences, and delivers the teachers' birthday certificates.

The PTF Elementary Room Parent (PK-6th grade):

- Organizes a "class get together" before the end of first quarter.
- Organizes class parties for Christmas and Valentine's Day.
- Assists the teacher with any additional parties, field trips, classroom needs.
- Assists the class representative.

PTF meetings are held several times each year. The meetings are open to everyone, and the executive officers and class representatives are strongly encouraged to attend all meetings.

The PTF receives a membership fee from each student's Activity/Field Trip Fee, collected by the school. These monies help to cover the cost of a birthday gift certificate and a Thanksgiving ham or turkey for teachers and staff.

PTF volunteers facilitate the elementary lunch program.

Through our fundraising endeavors, the Parent Teacher Fellowship has purchased many items for the school. Watch the school announcements for current information about PTF fundraising opportunities.

SCRIP

SJCS participates in a nationwide fundraising program called SCRIP. Through the SCRIP program, school families and friends purchase the gift cards offered by various retailers which can be used just like cash. Dozens of retailers like Hy-Vee, Lowes, Pizza Hut, and Wal-Mart participate in the SCRIP program. Each participating retailer determines a percentage of the scrip monies purchased they will donate back to SJCS.

SJCS's school board has directed that our SCRIP proceeds will be used in two ways: half will be credited to the tuition account of the family who purchased the SCRIP and the other half will be used for financial assistance needs at the school. Even grandparents and others outside of SJCS can use scrip, all they have to do is designate a family to receive the tuition reimbursement or designate the entire amount to the tuition assistance fund. The reason for the effectiveness of scrip is simple: families produce revenue by making purchases they would make anyway; groceries, clothing, toys, gifts, etc.

There are several options when using SCRIP – please read carefully.

- The preferred way to purchase scrip is online, by registering at:
www.shopwithscrip.com.
 - Be sure to register under *St. Joe Christian School, Saint Joseph, MO* by using our enrollment code: A821FEAL747L.
 - You may pay for your online order using PrestoPay, just follow the directions to set up your PrestoPay account at the SCRIP website.
 - Orders are due by 3PM on order days and are delivered to the elementary office for pick up after 12:00 noon on Friday, the same week, or may be sent home with your student.
 - Some SCRIP retailers offer ScripNow! which means you can go online and order, pay, and print an eCARD which you can use right away, and the school still gets credit.
 - ScripNow! also allows you to order, pay, and have your eCARD emailed as a gift to someone else; it's called an eGIFT, and the school still gets credit.
 - Some SCRIP cards are reloadable, meaning you can register the card online and have additional money added to the balance of the card, and the school still gets credit!
 - You may also pay for your online order by sending a check to school on order day.
- You may also purchase scrip by completing an order form (available at the office) and returning it with your check to school on order day before 3PM.
- All scrip orders must be paid at time of purchase and are nonrefundable.

WHAT WE DO

ACADEMIC INFORMATION

Curriculum

God is the source of all truth. Man's wisdom and knowledge come from God's wisdom and understanding. SJCS students are discovering what God has foreordained. SJCS uses curriculum (most of which is written from a Christian perspective) that is compatible with biblical teachings. SJCS is divided by grade level, and certified teachers provide instruction in each classroom. SJCS fully meets the State of Missouri professional development criteria for teacher re-certification.

One way SJCS analyzes the effectiveness of the curriculum is by examining standardized test score results. The curriculum committee, the principal, and teachers review the test results each year and note areas where improvements can be made. Special attention is paid to the curricular area that will next be addressed on the curriculum review cycle. In addition, the curriculum committee examines state and national standards that have been developed in that curriculum area, as well as previews other school's curriculum guides to see if content, methods, etc. need to be adjusted.

Secondary Grading Scale

Percentage **Letter grade** **GPA*** **Weighted GPA****

100	A +	4.000	5.000	Accelerated work level.
96-99	A	4.000	5.000	Mastering all concepts and working above grade level.
90-95	A -	3.900	4.900	
87-89	B +	3.700	4.700	Has mastered grade level skills.
83-86	B	3.300	4.300	Student has completed required work.
80-82	B -	3.000	4.000	
77-79	C +	2.700	3.700	Is progressing at grade level.
73-76	C	2.300	3.300	Student is still working to master skills.
70-72	C -	2.000	3.000	
67-69	D +	1.700	1.700	Having difficulty w/ grade level skills.
63-66	D	1.300	1.300	Student is working below 70% accuracy on a consistent basis.
60-62	D -	1.000	1.000	
59	F	0.000	0.000	Is progressing at an unsatisfactory/inadequate skill level.
0	I	0.000	0.000	Incomplete work.

*Non-weighted Grade Point Average (GPA): Determined using a 4.0 scale.

**Weighted Grade Point Average (GPA): GPA's for weighted classes are determined using a 5.0 scale.

Students' grade reports reflect quarterly, semester, and cumulative GPAs.

Additional Secondary Grading Information

Academic honors

The following academic honors are tabulated using quarter grades, announced quarterly, and are posted to transcripts for students in grades nine through twelve.

Principal's Honor Roll - 4.0 GPA

High Honor Roll - 3.90 - 3.99 GPA

Honor Roll - 3.50 - 3.89 GPA

Academic Modifications Program

The Academic Modifications Program (AMP) was developed to assist students who may have difficulty meeting the rigorous academic standards of SJCS. It may be used for students who are identified by teachers as having a learning or behavior issue that interferes with classroom performance. All AMP plans must be approved by administration.

Grading for Suspended Students

A student who is in ISS (in-school suspension) will receive 75% credit for homework assigned and completed while in ISS; 90% credit for quizzes/tests.

A student who is in OSS (out-of-school suspension) will receive 50% credit for homework assigned and completed while in OSS; 85% credit for quizzes/tests.

Academic Probation

A student whose semester grades fall below a cumulative GPA of 2.0 will be placed on academic probation until his/her grades improve. Should the student fail to bring his/her grades above a 2.0 GPA by the end of the following semester, s/he may be removed from the school's enrollment as determined by the administration. In accordance with MSHSAA guidelines, students on academic probation may not participate in extra-curricular activities.

Additionally, the administration may initiate academic probation for a student whose GPA falls below 2.0 in a core subject (Bible, Science, Math, History, English).

Transcript requests

Withdrawing student - Tuition and fees must be paid to date and the Withdrawal Record form completed through the admissions office before records and transcripts will be released.

Official High School Transcript - Juniors and seniors applying to colleges may request a transcript of their grades by completing the Transcript Request Form (available in the counselor's office).

Transferring grades

Grades for students entering SJCS will be transferred as follows:

Home school students

Transfer grades (core courses) from home school students with an outside grading transcript from the student's home school organization (i.e. ABeka books) will be accepted for grade points.

Transfer grades without an outside transcript (or elective courses) will be reviewed by the administration when submitted with appropriate parental documentation. These grades may be approved for general course credit and to meet graduation requirements but will not be counted toward GPA.

Accredited schools

Grades from accredited schools will be transferred to the SJCS grading scale by first using percentages, when available. If percentages are not available, the letter grade will be accepted and the “middle” percentage of the grade range will be assigned (B+ = 88% = 3.8 grade point for example).

Course selection/assignments *5/2018*

In the spring, the guidance counselor will update the course catalog on the website. Students and parents are encouraged to carefully read and consider which courses a student wishes to request (some courses are required).

The counselor meets with classes to share information, discuss course options, and complete Personal Learning Plans. A meeting is held with incoming freshmen and their parents to discuss high school planning. The counselor meets with individual students as needed to review schedules and make sure they are “on track” for graduation.

The Missouri connections website may be used as a tool for assisting students in their high school planning. Each student makes a username and password. Parents can review their student’s portfolio as well.

Students’ course assignments are updated in EduStar by the beginning of August. Students and parents are encouraged to log on and review their course schedule at that time. Students who wish to request adjustments may do so by contacting the guidance office.

Dropping/Adding a course

The counselor may give approval for a student to add/drop a course any time before the end of the first two weeks of a semester. The student must then complete an Add/Drop Slip (available in the counselor’s office).

- The Add/Drop Slip must be signed by a parent, the teachers involved, and approved by the school counselor.
- The student must remain in the original course until notified of approval by the counselor.
- Students are responsible to make-up any assignments they have missed by joining a course late.

Weighted courses *5/2018*

Anatomy, AP English Literature, American Government, 20th Century History, Physics, Chemistry I, Chemistry II, College Algebra, Trigonometry, AP Calculus, Spanish III, IV (when offered) and College Online, are categorized as weighted classes.

College Online *5/2018*

Juniors and seniors can earn up to 6 hours of college credit by enrolling in online courses during a school year. There is a limit of .5 dual-credit per semester.

Students may check with the guidance counselor for a current list of courses offered. Fees are paid by the student. Students should check with the admissions office of the college(s) they plan to attend to determine their credit transfer policy.

Graduation requirements

St. Joseph Christian School provides an academic program that meets the requirements for students to receive the College Preparatory Studies Certificate, awarded by the Missouri State Board of Education.

Course title	SJCS requirements	Missouri Minimum Core Curriculum	University of MO Systems
English	4	4	4
Math (incl. Algebra I)	3	3	4
Social Studies (incl. American History and American Government*)	3	3	3
Science (incl. Biology)	3	3	3
Fine Arts	1	1	1
Practical Arts	1	1	1
Physical Education	1	1	1
Health	.5	.5	.5
Foreign Language/ Core electives**	-	-	3
Bible	4	-	-
Personal Finance	.5	.5	.5
Electives	5	7	4
TOTAL	26	24	25
Community Service	40 hours	-	-

*Students must pass the United States Constitution and Missouri Constitution tests given in American Government.

**Any three courses in foreign language, math, social studies, science, or fine arts.

- Graduation credits are based on the Carnegie Unit System. One Carnegie unit of credit is equal to 220 minutes of class time per course week; 7,830 minutes per year.
- Twenty-six Carnegie units must be earned during the high school years, grades 9-12, in order to graduate.
- Seven Carnegie units are the maximum course load with one study hall in an 8-period day.
- Thirteen Carnegie units must be completed by the end of the tenth grade to be classified as a junior.
- Nineteen Carnegie units must be completed by the end of the eleventh grade to be classified as a senior.
- A candidate for senior high school graduation must have been in attendance at SJCS for at least two semesters, the second of which must be the last semester of the fourth year of high school.
- High school students, grades nine through twelve, are required to complete forty hours of community service (30 hours for sophomores transferring in, 20 hours for junior transfers and 10 hours for senior transfers) before graduation. This service must be an approved service given to an individual or sponsored by an organization other than the student's own church.

- To be considered for class ranking, a student must attend his/her junior and senior years (final four semesters) at SJCS. A transfer student is eligible to be co-valedictorian or co-salutatorian if they transfer in with a GPA current SJCS students are not able to attain. *2/2013*
- If a student earns more than 28 SJCS credits, then they may request that extra elective courses with a grade above a “C” be removed from GPA calculation. *10/2017*

Show-Me Scholars *6/2014*

The Show-Me Scholars program is a course of study that encourages students to take demanding classes in high school. The curriculum provides an education that better prepares students to enter college. The Show-Me Scholars Initiative is endorsed by the Missouri Department of Education, the Missouri Chamber Federation, and many of the education coalitions around the state.

To become a scholar, students must complete the Show-Me Scholars Core Course of Study, complete community service, earn at least a “C” in all Show-Me Scholars classes, finish all the state’s requirements for a high school diploma, maintain attendance requirements identified by their local school districts, and stay out of trouble. Students who violate the Missouri Safe Schools Act cannot participate in the program.

In return, students receive a medallion to wear at graduation and may qualify for additional college scholarship or grant money. Contact the guidance counselor for additional information.

A+ Program *2017*

SJCS has been designated an A+ school by the Missouri Department of Elementary and Secondary Education. Students at St. Joseph Christian School who meet specific criteria can qualify for a state-paid financial incentive to attend any public community college or career/tech school in Missouri. Many Missouri colleges and universities create scholarships to attract A+ graduates to their school.

Homework policy

Homework is a vital component of instruction at SJCS and contributes to the development of student responsibility and independence. It is designed primarily to reinforce and practice regular class instruction. Second, reading assignments and other types of preparation homework are given to prepare students for future lessons or concepts. Less frequently, homework projects are assigned to enrich and extend regular course work and enhance individual creativity.

Homework begins in kindergarten with parent-child reading assignments and increases steadily through high school, when one to two hours of homework per night can be expected. St. Joseph Christian School considers it essential for parents to establish a regular time and place for their student to complete homework. It is critical for students to have a quiet environment where they can learn to concentrate and use time effectively.

Time spent on homework may vary from student to student. However, if your student begins to spend unusual amounts of time on homework each night or claims to never have assignments, please contact his or her teacher.

Make-up work

Pre-arranged absence

Upon administrative approval of a student's request for a pre-arranged absence (see attendance section) s/he may request make-up work from teachers, which is to be completed before the student leaves, or presented to the teacher upon the student's return, per prior arrangement between student and instructor.

Unexpected absence (illness) 11/2017

Parents may email their student's teacher with questions regarding make-up work (<http://www.stjosephchristian.com/staff/>). When hard-copy make-up work is needed, teachers may communicate this to parents and leave the make-up work in the office for parents to pick up after 2:30.

Students are permitted one additional day (for each day they are absent) beyond the assigned due date to complete make-up work.

Special arrangements for a student with a prolonged illness may be made at the discretion of the principal.

When absent for any reason, THE STUDENT is responsible for securing assignments from his/her teachers.

Late work

At minimum, students who submit homework after the assigned due date will receive the following reduced credit (Individual teachers may have more stringent policies.):

- 1 day late - 75% credit
- 2 days late - 50% credit
- 3 days late - 25% credit
- 4 days or later - 0 credit

Grade Reports

NEW fall of 2018, we will be using the RenWeb student information system. Information about how parents can access RenWeb to view their student's grades will be made available before first quarter mid-term.

Student Cumulative Files

Information kept in the students' cumulative folders consists of admissions information (including previous school records and copy of birth certificate); achievement and aptitude test scores; past grades; and any special testing information. The health file contains immunizations, screening data, athletic physicals, allergy/asthma details, and parental release for medication administration at school.

In accordance with state policies and the Safe Schools Act, schools must use the student's legal name as documented on the birth certificate on student cumulative files and official school records. (Parents may request that a teacher use a special shortened or nickname, etc. in the classroom.)

Professional staff are authorized to view student cumulative records and sign/date the file access log when doing so. Administration may release records to parents or forward them to a school district with a written request and after books are returned and fees are paid.

Measuring Student Progress and Achievement

Teachers use a variety of formal assessments (such as quizzes/tests, standardized tests, oral reports, summative projects) and informal assessments (such as observations, teacher/student conferences, checklists, and reflective journals) to assess learning and drive instruction in the classroom. Parents can continually monitor their student's academic progress through the RenWeb program.

Testing

Final Exams 5/2018

Final exams are given at the end of each semester.

- Seventh grade exams comprise 12% of the semester grade.
- Eighth grade exams comprise 14% of the semester grade.
- Ninth through twelfth grade exams comprise 20% of the semester grade.

Exemptions:

- Secondary students (9-12) who meet all ACT College Readiness Benchmarks and receive a 26 composite on the ACT are exempt from finals as long as parents are in agreement.
- Juniors who achieve a 100% (A+) average for the third and fourth quarters of any class are exempt from taking finals in that class.
- Seniors are exempt from taking second semester finals.
- Pre-Arranged absences are not approved during finals. A student who requests an exception to this policy, if approved by the administration:
 - will take their finals on a day to be determined by the administration.
 - will be charged \$10 per course test for the proctor.
 - will receive only 75% credit.

Standardized testing

All students in kindergarten through eleventh grade take standardized tests (ACSI testing program) in the spring. This ACSI testing program uses the Terra Nova 3 Complete Battery tool for evaluation. This assessment instrument includes the Complete Battery Survey for all K-11 students as well as the InView test of cognitive abilities for certain grade levels. Students (kindergarten through second grade and occasionally older students) may be given the Basic Reading Inventory (Johns Test) to assess their reading levels.

What We Expect

ATTENDANCE

Regular attendance and punctuality are not only required by law in the state of Missouri, they are essential to the quality of your child's education. At St. Joseph Christian School we believe that one way students learn about fulfilling their commitments, exhibiting respect for both themselves and others while showing personal responsibility is through regular attendance and practicing punctuality. This character development is part of equipping them to serve Christ while preparing them for mature adulthood. We ask that families partner with us in making every effort to have their students at school regularly and on time, as well as encouraging them to be punctual to their classes.

Attendance Policy and Procedures

- Students may be dropped off at school between 7:30 – 7:50AM. The bell for first hour rings at 7:56 with classes beginning promptly at 8:00 a.m. A student is considered tardy to school if s/he arrives between 8:00 and 8:20 a.m.
- The magnetic locking system is turned on at 8 a.m., after which time, students will need to buzz at the main office door (#2) to come in, and must report to the office for a tardy pass.
- For secondary students, attendance is also taken each class period, and students are expected to be in their classroom prior to the bell for that class period.
- Travel safety should precede punctuality. The principal usually suspends the tracking of tardies on officially recognized "bad weather" days.

Tardiness

Students are expected to be on time and prepared to begin class when the bell rings. Students who are consistently tardy will receive a warning from administration followed by a detention every time they are tardy from that point forward.

Excessive absences/Loss of course credit

Generally, a student who is absent more than nine times per class per semester for any reason (excused or unexcused, not to include absence due to class activities) will be subject to a loss of course credit. Upon the tenth absence, the student's semester grade could be reduced by ten percent. An eleventh absence could cause the student's semester grade to be reduced to zero with no credit received.

Parents of a student with justifiable extenuating circumstances, such as student hospitalization or severe, physician documented, illness which causes a prolonged absence should immediately notify the principal, who may grant a discretionary exception to this policy. Do not delay as the request for an extenuating circumstance exemption should be made **at the time the situation occurs**.

Absence for Unplanned Appointments

- When a student will be late to school or must leave during the school day for an unplanned appointment, parents are asked to call/email the school office specifying the reason for leaving school (doctor, dentist, funeral, etc.), the time s/he will leave the building and an

approximate time of return.

- As with any absence, **THE STUDENT** is responsible for securing assignments for make-up work from his/her teachers.

Excused absence

The following absences will be considered excused (students may receive credit for make-up work).

Personal illness with parental explanation

- A parent must call the school office each day of absence to notify the office of the reason for the student's absence; limited to three consecutive days.
- Absence due to illness beyond three consecutive days may require a physician's note in order to be excused.
- Parents may be called by the office if their call is not received in a timely fashion. This helps ensure the safety of students and accurate record keeping.
- Parents may email their student's teacher with questions regarding make-up work (<http://www.stjosephchristian.com/staff/>). When hard-copy make-up work is needed, teachers may communicate this to parents and leave the make-up work in the office for parents to pick up after 2:30.
- Students must be fever-free without medication for 24 hours before returning to school.

Prearranged absence: vacation, medical/dental appointments, etc.

- **Prearranged absences will not be scheduled during standardized testing or finals.**
- Every time a parent knows in advance that their student will be absent, they are asked to complete a Prearranged Absence form (available from the school office/website) **no less than one week in advance.**
- Upon administrative approval of a student's request for a prearranged absence s/he may request make-up work from teachers, which is to be submitted as arranged by the student with their individual teachers. **Teachers may require make-up work to be completed before or after the absence, at their discretion.**
- Families should keep in mind that although some homework can be made up, students can never regain actual classroom learning experiences they miss while absent. As with any absence, **THE STUDENT** is responsible for securing assignments for make-up work from his/her teachers.
- Parents are encouraged to check the school calendar and plan family trips during regular school breaks as much as possible. If a vacation must stretch beyond a regularly scheduled school break (for example, Christmas/Spring Break) the administration strongly encourages parents to add extra days at the **END** of the break. Most school breaks are scheduled at the close of a grading period, so final days before the break involve much reviewing, testing and grading. Students who are absent during those days may be required to test early without benefit of proper preparation which will likely result in lower grades.
- Family/education trips are allowed a maximum of 5 days per year.
- Parents of students who have missed several days due to illness may want to reconsider planning a family trip to avoid loss of course credit (see above).

- NOTE: Absence for senior pictures and driver's testing will not be excused. Students are encouraged to schedule these activities outside of regular school hours.

Illness/death in the family

Hospital stay

Activity related absence

The following absences are considered excused and are also exempt from the excessive absence policy (they do not count toward a student's nine allowable absences in a semester):

School sponsored extra-curricular events.

College visits (juniors and seniors) with approved Prearranged Absence form.

- Juniors may take three days per year for college visits.
- Seniors may take two days per year for college visits.

Job shadowing (juniors and seniors) with approved Prearranged Absence form.

- Juniors and seniors may take one job shadow day per year.

Un-excused absence

Absences inconsistent with the above will be considered unexcused (students will NOT receive credit for make-up work). NOTE: Absence for senior pictures and driver's testing will not be excused. Students are encouraged to schedule these activities outside of regular school hours.

When absent for any reason, THE STUDENT is responsible for securing assignments for make-up work from his/her teachers.

SECONDARY DISCIPLINE PHILOSOPHY & PLAN WITH GENERAL BEHAVIOR EXPECTATIONS *HELPING STUDENTS IN THEIR CHRISTIAN WALK WITH OBEDIENCE, HUMILITY, AND ACCOUNTABILITY*

Discipline Philosophy

Equipping students to impact their world for Christ requires more than a strong academic program. It also requires discipline; that is, instruction and training in correct principles and habits that will prepare students for future use in God's kingdom. I Timothy 4:7b-8 says, "Train yourself to be godly. For physical training is of some value, but godliness has value for all things, holding promise for both the present life and the life to come." Thus, SJCS teachers and staff are committed to train students according to biblical principles that encourage the development of Godly character.

Our ultimate goal is to help each secondary student **ROAR**:

RESPONSIBILITY – Be on time and prepared.

OBEDIENCE – Speak when called upon, stay in desk unless directed otherwise, and be in dress code.

ATTITUDE – Be positive and kind to others.

RESPECT – Others come first. Treat others how you want to be treated.

A safe and orderly environment is fundamental to a successful instructional program so classroom discipline is necessary. Hebrews 12:11 says, "No discipline seems pleasant at the time, but painful. Later on, however, it produces a harvest of righteousness and peace for those who have been trained by it." Not only is discipline unpleasant for the student, it is hard work for parents and teachers. At SCJS, we want to partner with parents in this work of training students. Open and clear communication is vital. When student behavior warrants serious discipline, we can remind each other to keep our focus on the desired outcome - a harvest of righteousness and peace!

Teachers are primarily responsible for managing student behavior in the classroom. Based on their professional knowledge and experience, they may adjust expectations and consequences in their classroom to suit the maturity level of their students. With heavy reliance on prayer and guidance from the Holy Spirit, teachers will seek to discipline students in love and according to their individual needs, modeling the kingdom principles of grace, mercy, and forgiveness.

A student's behavior is closely tied to his/her spiritual growth. Misbehavior is often evidence of a wrong attitude or belief that the student holds. As Christian teachers, we are concerned with more than addressing outward behavior; we want to help students develop right attitudes and beliefs that will bring about a change of heart, because that leads to lasting behavior change. Our secondary discipline philosophy and policy emphasizes the importance of accountability in obedience and humility. Please see our General Behavior Expectations at the end of this section.

Matthew 22:37-39ESV

And he said to him, "You shall love the Lord your God with all your heart and with all your soul and with all your mind. This is the great and first commandment. And a second is like it: You shall love your neighbor as yourself. (HUMILITY)

Hebrews 13:17

Obey your leaders and submit to them, “for they are keeping watch over your souls, as those who will have to give an account. “Let them do this with joy and not with groaning, for that would be of no advantage to you. (OBEDIENCE, HUMILITY)

Philippians 2:3

Do nothing from selfish ambition or conceit, but in humility count others more significant than yourselves. (HUMILITY)

NOTE: Infractions listed are only examples. The administration, at its sole discretion, may assign an infraction to any level based upon individual circumstances.

Level 1 - Teacher Issued Detention

A teacher may issue a 30-minute detention based upon their own classroom policies. This is a detention that is recorded RenWeb and parents are contacted by the teacher. This detention is proctored by the teacher who issues the detention and may be served before school, during lunch, or after school, at the teacher’s discretion.

Level 2 – Three-Strikes Detention (Name on board, Check mark by name, Written up)

- Tardies to a class

Communication – Teacher contacts parents about incident, reports in RenWeb, Student Affair Administrator (SAA) works out detention logistics.

- Dress Code/Hair/Not shaving
- Food/Gum
 - No food/drink (except water) is allowed on the carpet at any time; before, during or after school. Chewing gum is not allowed on campus at any time.
 - In addition to appropriate disciplinary action, students violating this policy will be subject to the following fines, cumulative for the entire school year:
 - First offense: \$3
 - Second offense: \$5
 - Third offense: \$10
 - Fourth offense: \$15
 - Fifth offense: \$20
 - Sixth offense: \$25
- Cell phone out (phone confiscated; parent required to come to school and pick up the phone. If parents are not able to come to school and the student needs the phone, the student may collect it at the end of the day; they will be charged \$10.)

Communication - SAA reports in RenWeb and contacts parents about detention logistics.

Level 3 - Automatic 1-Hour (or more depending upon circumstances) Detention

- Poor language
- Disobedience or Disrespect
- Unkindness
- Not being where one is supposed to be
- Getting in another locker
- PDA – hugging
- Physical contact – pushing or shoving

Communication - SAA and Secondary Principal may collaborate, as these may also be considered Level 4. The Secondary Principal records in RenWeb and contacts parents.

Level 4 - Multiple Detentions/ISS/OSS/Expulsion

- Poor representation on social media
- Punch thrown
- Unkindness/bullying
- Leaving campus without permission
- Untruthfulness or dishonesty (plagiarism)
- Stealing
- Direct disobedience or disrespect
- PDA – kissing or seclusion
- Vandalism (Accidental – cost of repair / Intentional – cost of repair and discipline)

Communication - Secondary Principal records in RenWeb and contacts parents.

Saturday School (8:00-Noon on designated Saturdays / \$15)

After a student has served four hour-long detentions in a semester, up to two additional detentions will be served at Saturday School.* (ISS and OSS = 2 detentions)

Communication – SAA or Secondary Principal notifies student and parents about the Saturday that this will be served on.

Detention Details

- One-hour detentions are scheduled from 3:20-4:20 on designated days.
- Detentions missed without prior approval from the principal are doubled.
- Saturday School that is skipped results in an ISS on the following Monday *with no credit earned for homework due or quizzes/tests taken on that day.*
- *After four detentions and two Saturday Schools are served, a student will serve an ISS for each additional infraction for the remainder of the semester *with no credit earned for homework due or quizzes/tests taken on that day.*

GENERAL BEHAVIOR EXPECTATIONS

St. Joseph Christian School is dedicated to training children in a program of Christ-centered study, activity, and daily living. We believe that “all things should be done decently and in order” and that our students should be taught to accept the responsibility to “walk honorably before all men.” Thus, at St. Joseph Christian School, firm, consistent discipline, which is fair and tempered with love, is maintained. Our faculty maintains standards of behavior in the classroom through kindness, love, and genuine regard for the students. When disciplinary action becomes necessary, it will be carried out with good judgment and sensitivity.

Our primary goal in disciplining students is to help them develop self-discipline to think, speak, and behave in a Christian manner. The ideal objectives of these guidelines are to foster understanding, challenge parent and student alike to supportive behavior, and enlist student cooperation.

Enrollment at St. Joseph Christian School is considered to be a blessing from the Lord. Consequently, our students are expected to conduct themselves according to scriptural principles of attitude and behavior and to the expressed principles, policies, and programs of the school and state regulations. Disciplinary action may be taken any time a student’s behavior does not meet expectations—whether the student is on campus (during the school day, games, activities, etc.) or off campus (at home, church, in the community, etc.)

Students are accepted as individuals with individual needs. Every effort is made to develop attitudes and habits of behavior conducive to compatible relationships with parents, teachers, and fellow students. Most students adjust quickly to these required characteristics. However, for the students whose conduct is unacceptable, the administration reserves the right to administer the appropriate discipline deemed necessary and expedient to bring about an acceptable form of conduct.

Code of Conduct

We regard conduct as an indicator of a student’s spiritual condition. We expect good conduct and positive attitudes. “So then, you will know them by their fruit” (Matt. 7:20). “Not what enters into the mouth defiles the man, but what proceeds out of the mouth, this defiles the man” (Matt. 15:11).

Respect

Students are to respect all individuals in the school. The authority of the teachers and staff is to be respected, and they must be addressed by using the appropriate title of Mr., Mrs., or Miss. Disrespect may result in suspension and expulsion. Respect of fellow students is equally important. Making fun of or picking on another student will not be tolerated.

Bullying

We believe there is a difference between someone being unkind and someone being a bully. We do not consider every act of unkindness to be bully behavior. And although there is no one definition that fits every bully behavior or situation, we define bullying as a pattern of abusive behavior. Unkindness and bullying are dealt with on an individual basis by teachers and/or the principal.

Reverence

Reverence is an important aspect of a proper attitude toward God. One way that we show reverence toward God is through our actions and our attitude during prayer. Whenever we are led in prayer, students should be quiet, bow their heads, and close their eyes. This will minimize distractions and help them to focus their thoughts upon God.

Honesty

We expect students to be honest and truthful. Cheating and stealing are serious offenses. Upon the first offense a student may be suspended. The second offense may result in expulsion from SJCS.

Plagiarism

At SJCS, plagiarism is defined as copying (stealing) someone else's words, thoughts or ideas and claiming or presenting them as if they were your own. Plagiarism is a form of cheating.

Students must properly cite references and sources in their written work. When in doubt, always provide a citation of the source of information in any written work. Students with questions regarding plagiarism are encouraged to check with their instructors for clarification.

Alcohol, Drugs, and Tobacco 1/2016

It is the policy of St. Joseph Christian School to provide a safe learning environment for all students and staff. Therefore, St. Joseph Christian School has a zero-tolerance policy for student possession, use, distribution, or sale of illegal drugs, alcohol or tobacco in any form (including electronic cigarettes), whether on campus, at other school-sponsored activities, or off campus.

SJCS is a tobacco free campus. Smoking and all tobacco use (including electronic cigarettes) is strictly prohibited on school property, by all persons (students, staff, parents, guests). Parent/guest violators may be asked to leave campus.

Discipline for student violation of this policy, even in the case of the first offense, will be immediate expulsion. A student who has been expelled under this policy may be permitted to finish the quarter (off campus) depending on the circumstances. A student may re-apply for enrollment the following school year; acceptance may or may not be granted depending on the circumstances.

Clean Up

We expect the students' help in keeping our building and grounds free from trash. Students will not be dismissed from a class until all paper is picked up from the floor and the room is neat and orderly. Elementary (fourth through sixth grade) students help with outdoor trash pick-up on a rotating basis.

Defacement, Damage, Destruction, Loss of Property

We view school property and the property of others as a testimony of the Lord's gracious provision, therefore, an attitude of respect toward the same should be nurtured and promoted in students. Students who deface, damage, destroy or lose property, whether belonging to the school or others, may be required to make restitution and may be expelled. Parents/guardians shall be financially responsible should their child be required to make restitution.

Eating

No food/drink (except water) is allowed on the carpet at any time; before, during or after school.

Gum Chewing

Chewing gum is not allowed on campus at any time.

Halls

Students are not to be out of their classrooms without permission from their teacher. Students must pass quietly in the halls.

Leaving Campus

Students may not leave the campus during the school day at any time after arriving, except through previous arrangements with the office and the parent/guardian. Failure to abide by this rule may result in suspension or expulsion.

Off-limits Areas

Certain areas are off-limits to students without explicit permission given by school personnel. They include:

- Classroom telephones
- Electrical circuit boxes
- Faculty desks and files
- Faculty workroom, kitchen, restroom
- Locked building, rooms, and storage areas
- Maintenance equipment and janitorial supplies
- Office areas
- Personal property (including lockers) belonging to others
- Roof of school building
- Weight training areas, field house, or other school grounds (unless given permission by teacher)

NOTE: Cameras/camera phones may not be used in any area where there is a reasonable expectation of privacy, including, but not limited to restrooms and locker rooms.

Profanity and Swearing

Those who use the Lord's name in vain, who swear, or use "gutter" language (vulgarity, obscenities, etc.) are subject to suspension and expulsion.

We feel that in the past few years, language that used to be frowned upon by many Christians is becoming acceptable. Increasingly, "potty talk," wooden swearing (obvious substitutions of one word for another), and downright coarse talk is the norm in our society, and we see it creeping into our school.

Ephesians 4:29 says, "Do not let any unwholesome talk come out of your mouths, but only what is helpful for building others up according to their needs, that it may benefit those who listen." Regarding words spoken at school or on Facebook (which often impacts the classroom!), etc., we ask:

- Are they wholesome?
- Are they helpful for building others up according to their needs?
- Do they benefit those who hear them?

Physical Contact

Fighting (assault), "horseplay," and rough housing are not conducive to the discipline of education. They will not be permitted at SJCS. Upon the first offense a student may be suspended. The second offense may result in expulsion from SJCS.

We apply a "hands-off" policy in respect to relationships between young ladies and gentlemen.

Search and Seizure Policy

The administration of St. Joseph Christian School and his/her designee reserves the right to search any student, his or her personal belongings, and surroundings for any contraband that the administration has reason to believe the student may possess. Contraband is anything, item, or article forbidden on campus by the civil or criminal law or by school policy. The administration or his/her designee with reasonable cause may also search individuals or groups of students for stolen items. No students will be asked to remove clothing other than outer garments (jackets, vests, sweaters, etc.). No search of an individual will be conducted without the presence of another school staff member as witness. Staff members will be of the same gender as the student(s) being searched whenever possible.

Weapons Possession

St. Joseph Christian School assumes no legal obligation to protect or guarantee the safety of its employees, students, families, or visitors from persons bent on harming them.

No person shall carry a firearm, a concealed weapon or any other weapon readily capable of lethal use onto school property, onto any school transportation or onto the premises of any function or activity sponsored or sanctioned by the school, except for authorized law enforcement officials and others permitted pursuant to this policy.

Pursuant to the St. Joseph Christian School Conceal Carry Firearm Policy (CCFP), the SJCS board may designate school employees who are already legally eligible to carry a concealed weapon to possess a concealed weapon in and on school facilities as part of the school's security plan and subject to any other certification or training the school board may require. All other school officials are prohibited from authorizing any person to bring weapons on school property or to school activities including concealed weapons, beyond the exceptions stated in this policy.

Any person who possesses a weapon in violation of this policy may be asked to leave school property. In addition, school administrators may report the incident to law enforcement officials, ban the person from school property and/or school events, or seek other legal remedies.

Other Criminal Acts

Students may be suspended or expelled for participation in any criminal act on or off school campus.

Other Inappropriate Items (use or possession) On School Grounds

Music

There are many views held by Christian parents, students, and staff regarding music. However, for the purposes of maintaining our Christian witness, Christian atmosphere, and consistency of school standards, only Christian music should be brought to school. Any other

type of music will be confiscated and returned to the student after the teacher or administration has received a note from the parents. There may be special circumstances when other types of music are permitted. The principal must approve these circumstances.

Video tapes/DVDs

Only videotapes/DVDs from the school library (or those specifically approved by the principal) may be used for classroom or school-sponsored use.

DRESS CODE (Adopted school year 2005-2006)

In spring 2005, a new revised uniform dress code was announced by the school board of St. Joseph Christian School. In a letter to parents the Board said, in part:

“Since SJCS is a place of learning, the appearance of the students should encourage the learning process rather than distract from it. The board believes that the (new) dress code will help shape the overall climate of the school as a place of learning and social interaction. It will help de-emphasize outward appearance, emphasizing in its place our students’ inner qualities and character development, as well as further developing school unity and spirit.

Current research indicates there are great benefits in adopting a uniform dress code (UDC). Regular use of a UDC improves school safety and classroom behavior. Use of a UDC can lessen student competition and reduces distractions among students concerned about fitting in. Ultimately, a UDC improves student outcomes, including grades and test scores. We believe the research results clearly indicate that a UDC increases academic performance and sets a high standard for the overall learning environment.”

General Information

Beginning spring 2005, Dennis Uniform was contracted as SJCS’s uniform company. Therefore, all items (except shoes, socks and belts) must be purchased from Dennis Uniform.

Families may **make purchases** at the Dennis Uniform Store (6322 College Boulevard, Overland Park, KS 66211, 913-381-6505) or online at www.dennisuniform.com (SJCS school code, IJC). Dennis Uniform is a SCRIP provider, so families may purchase Dennis SCRIP through SJCS and receive credit toward tuition. *Dennis SCRIP may only be used at the Overland Park store, not online.*

Dennis Uniform offers a **one-year warranty** which covers manufacturing defects such as zippers breaking, seams not sewed properly, hems coming out, cuffs on shirts not fitted properly, etc., and it is on all items Dennis Uniform sells. If it is determined an item has a manufacturing defect, the item will be exchanged or repaired by Dennis Uniform during the first year.

Dennis Uniform Corporate Office has a **return policy** that requires items be returned or exchanged within 60 days. However, the Overland Park store has extended the return policy to allow items ordered on-line or purchased at the store to be returned as long as our school has a contract with Dennis, *but the items must still have tags on them, and the items must never have been worn or washed.* There is no refund on bulk order items; they may be exchanged at the Overland Park store; *if they still have tags on them, and have never have been worn or washed.*

Families are encouraged to donate outgrown excellent-condition uniforms to the Pivotal Point Thrift store, which partners with SJCS to then organize and offer items for sale to our families at a nominal cost with proceeds going to the store’s ministry.

Dress Code for Ladies

The administration reserves the right to prohibit any item relating to dress or appearance.

Go to www.dennisuniform.com and enter SJCS school code IJC to see a complete list/prices of available uniform items for ladies.

In addition, please note the following:

Shoes All shoes must have a back or back strap. This includes sandals, open toe shoes, and any closed style. Heel no greater than 2". Administration reserves the right to deny certain boot styles.

No heeleys.

Socks or tights Any; no wild, distracting patterns or colors.

Leggings Black, white, or gray as purchased from Dennis Uniform, or any tight fitting legging, no feet.

No sweatpants

Belts Black, brown or tan, standard buckle, plain, no embellishments

Miscellaneous:

Earrings: No more than two earrings are allowed per earlobe/rim.

Jewelry: Excessive jewelry is not allowed, at the discretion of the principal.

Body piercing: Jewelry may not be worn in pierced areas while at school.

Hair: Must be clean; hair color limited to a natural color (highlights OK; no distinct blotches or streaks of differing hair color), trendy styles (like mullets, mohawks, shaved designs) not allowed.

Tattoos: Not allowed; must be covered.

Ball caps/hats/bandanas/etc.: Are not acceptable

Additional Information for ladies:

- If a uniform item has belt loops, a belt is required to be worn with it.
- Students may wear polo style shirts untucked. All button up style shirts must be tucked in.
- Building temperatures can vary from room to room. Students are not allowed to wear winter coats/jackets/non-spiritwear hoodies in classrooms. They are encouraged to keep a uniform sweater/sweatshirt/spiritwear hoodie in their locker should they need it. Students may not wear the hood up on their spiritwear hoodie while inside the building.
- A uniform blouse/shirt must be worn under sweaters, sweatshirts, and spiritwear hoodies.
- Undershirts may be worn under blouses/oxfords/polos for warmth.
 - Undershirts may be short or long sleeved.
- A lady's bra must not show through darker than the shirt she is wearing.
- No oversized or undersized uniform clothing.
- No rolling of any uniform clothing.
- Because of the way they are made, skirt hems may not be altered.
- Skirt and jumper length should be no shorter than 2 inches above the top of the knee.
- Solid black biker-type knit shorts may be worn under skirts for modesty. These are available from Dennis (called biker shorts in their catalog) or may be purchased elsewhere. Shorts may not be longer than the skirt.
- If a student is not in uniform, she will be considered absent (unexcused) and she will not be

allowed in class until in proper uniform.

- **It is strongly recommended that parents clearly mark clothing with student's name.**

Dress Code for Gentlemen

The administration reserves the right to prohibit any item relating to dress or appearance.

Go to www.dennisuniform.com and enter SJCS school code IJC to see a complete list/prices of available uniform items for gentlemen.

In addition, please note the following:

- Shoes All shoes must have a back or back strap. This includes sandals, open toe shoes, and any closed style. Heel no greater than 2". Administration reserves the right to deny certain boot styles. No heeleys.
- Socks Any; no wild, distracting patterns or colors.
- Belts Black, brown or tan, standard buckle, plain, no embellishments
- Miscellaneous:
- Jewelry: Gentlemen may not wear earrings.
- Body piercing: Jewelry may not be worn in pierced areas while at school.
- Hair: Must be out of the eyes, off the collar, and not below the bottom of the ear; hair color limited to a natural color (highlights OK; no distinct blotches or streaks of differing hair color), trendy styles (like mullets, mohawks, shaved designs) not allowed, no ponytails, no facial hair (must be clean shaven), sideburns may not extend below the bottom of the ear.
- Tattoos: Not allowed; must be covered
- Ball caps/hats/bandanas/etc.: Are not acceptable

Additional Information for gentlemen:

- If a uniform item has belt loops, a belt is required to be worn with it.
- Students may wear polo style shirts untucked. All button up style shirts must be tucked in.
- Building temperatures can vary from room to room. Students are not allowed to wear winter coats/jackets/non-spiritwear hoodies in classrooms. They are encouraged to keep a uniform sweater/sweatshirt/spiritwear hoodie in their locker should they need it. Students may not wear the hood up on their spiritwear hoodie while inside the building.
- A uniform blouse/shirt must be worn under sweaters, sweatshirts, and spiritwear hoodies.
- Undershirts may be worn under oxfords/polos for warmth.
 - Undershirts may be short or long sleeved.
- A gentleman's t-shirt must not show through darker than the shirt he is wearing.
- No oversized or undersized uniform clothing.
- If a student is not in uniform, he will be considered absent (unexcused absence), and he will not be allowed in class until in proper uniform.
- **It is strongly recommended that parents clearly mark clothing with student's name.**

Dress Code for Physical Education

General

- Students not appropriately dressed will not be permitted to participate.
- Shorts must be modest (no more than four inches above the knee)
- Short sleeved t-shirts only - no sleeveless or cut offs.
- Only athletic court shoes may be worn in the gym.

Dress Code for Athletics

Volleyball/Cheer - shorts/t-shirts

Football - Shirts must be worn when coming inside the school building.

Basketball - Practice jerseys provided.

Cross Country/Track - tank tops (at minimum)/shorts

Dress Code for Special Occasions

Field trips - Regular dress code unless otherwise approved by the principal. When directed to be out of uniform, students may be instructed to bring clothes and change prior to leaving for the trip and change back into uniforms upon arrival back at school.

School picture day - Students grades seven through eleven wear school uniforms for school pictures. Seniors' pictures are taken for the class composite photo; their dress is the same as for student government day.

Student government day - Students wear business type attire; dress slacks/skirts, business suits, dress shoes.

Spiritwear Days - students are encouraged to show their school spirit by wearing jeans with:

- SJCS Spiritwear tops that have been purchased from or through the school (current year or previously) such as:
 - T-shirts
 - Sweatshirts
 - Hoodies
 - Official SJCS team shirts
 - Regular uniform shirts
- Students may NOT wear homemade items.
- Students may NOT wear frayed/altered items (cut off sleeves, etc.)

Eighth Grade Graduation - Business Casual

Girls may wear a dress or skirt with a blouse

Boys may wear dress pants with a collared shirt (tie is not required, but certainly appropriate)

Parents are expected to make sure that their student is in proper and modest attire.

High School Graduation -

Ladies: Nice dress or skirt to be worn under the graduation gown.

Gentlemen: Dress pants, dress shoes, and a white dress shirt with tie to be worn under the graduation gown.

The Lion's Share Graduation Cap & Gown Lending Program was developed to help alleviate some of the costs associated with a student's senior year. Parents may purchase a new cap/gown from Josten's or, if their student's size is available, may arrange to borrow one from *The Lion's Share* by contacting the principal.

- Caps/gowns have been graciously donated by alumni.
- Parents may secure the loan of a cap/gown (subject to availability) by submitting a \$50 deposit (cash or check).
- Parents who return borrowed caps/gowns clean and in good condition (as determined at the sole discretion of the administration) by the last day of the school year will receive their deposit back.
- Returns after the last day of school, or in dirty/poor condition may forfeit their deposit at the discretion of the administration.
- Parents who choose to purchase new caps/gowns are welcome to donate them to *The Lion's Share* after graduation.

Homecoming/Courtwarding - TBA, type of event/location will be taken into consideration.

School dance/prom - Principal reserves the right to monitor the appropriateness (modesty) of attire for special occasions and will provide specific verbal communication to students planning to attend as soon as the event is approved. A student who arrives at an event inappropriately attired may be asked to leave. Students bringing a guest from another school are responsible to communicate SJCS guidelines to their guest prior to the event.

Ladies: Modest formal attire that is not excessively tight or low cut. Cleavage may not be seen, and no skin may show below the bra line in back. No slip-style dresses or midriff showing. Dress or slit in dress cannot exceed 4 inches above the knee.

Gentlemen: Dress slacks, shirt and tie. Jackets encouraged. Gentlemen may choose to wear a tuxedo to prom.

Extra-curricular school activities - Administration/staff reserve the right to monitor the appearance and actions of students at extra-curricular school activities. Students are expected to dress modestly and tastefully in a way that reflects the core values of the school. The administration reserves the right to speak with an inappropriately dressed student and/or his/her parents regarding the student's choice of attire. In such cases, the student may be asked to change before returning to the event.

How You Can Join Us...

ENROLLMENT, TUITION, AND FEES 1/2016

Steps for families new to SJCS 10/2016

Parents enrolling students for the first time should contact the admissions office, where they will be offered a campus visit, if desired, and directed to:

1. Complete and return an application (1 per student), including a parent meet and greet form and a pastor's recommendation form.
2. Complete and sign a request for transcript form, from the current school, to be reviewed by the principal.
3. Upon receiving the above items, the admissions office will schedule a casual "meet and greet" with the corresponding principal (elementary/secondary). For elementary students, only the parents are requested for the meet and greet. For secondary students, parents and students are requested for the meet and greet.
4. Submit birth certificate and immunization record (may bring these to parent/principal meet and greet)
5. If determined necessary by the principal, bring their student(s) for an entrance/placement test (TN3; reading and math).
6. Upon completion of meet and greet and confirmation from principal/administration, the new family will be directed to setup their online tuition account through FACTS, the online tuition management program employed by the school. (Check under the admissions tab at www.stjosephchristian.com for more information.) An email is sent directly to the new family from FACTS, directing them to setup their method of payment. Families must wait for this specific email in order to continue. It can take 24-48 hours. **Please note, for those interested in tuition assistance - Once an online account, including method of payment, is created with FACTS, the option to complete an application for tuition assistance will be available by clicking on "FACTS Grant & Aid Application". Upon completion and processing, each family will be contacted to schedule a financial outlook meeting with the superintendent regarding possible financial aid.*
7. Complete and return remaining enrollment forms by the due date requested.

Steps for returning families

1. Returning families will receive an email in December announcing the opening of the reenrollment season.
2. Families will then receive an email from FACTS to reenroll their student.
3. Once families have reenrolled via FACTS, enrollment will be finalized by obtaining, completing, and returning new school year enrollment forms (Elementary - sent home with the youngest or only student. Secondary – picked up at the admissions office).
4. Completed new school year enrollment forms must be returned to the school office by the due date. Students are not considered officially re-enrolled until they are re-enrolled through FACTS and all new school year paperwork is completed and submitted to the office.
5. Be certain outstanding accounts are paid in full.

Enrollment Policies

- Application (new student) and reenrollment fees are non-refundable.
- In addition to the student (grades 7-12), at least one parent of the student must be a Christian (born-again disciple), who is actively involved in a local evangelical church (attending 3 to 4 times per month) and evidencing Christ-like character in his/her lifestyle. All enrolling parent(s) must agree with and sign the *Philosophy/Procedures Commitment* documents and must understand and agree that enrollment at St. Joseph Christian School is dependent on student's and parent's support of the school, its staff, and its policies.
- A copy of the birth certificate and an official up-to-date immunization record must be presented to the admissions office and recorded in the new student's file before enrollment can be completed.
- The school's insurance policy is secondary to the parents' personal insurance policy; consequently, it will pay an amount towards those costs not already covered.

Late Payment Policy:

All accounts must be current by the first day of school in order for a student to begin the school year at St. Joseph Christian. Please see all late payment details and fees as outlined in your online FACTS account. In the event an account becomes past due during the school year, the following policy will take effect:

1. Payment is due the day of the month that the parent sets up in FACTS and is considered late after that date. Late payments will be assessed a late charge in FACTS.
2. When a payment is not made by the end of the month, the account will be assessed an additional late fee in FACTS.
3. If an account is consistently past due, the SJCS board reserves the right to require pre-payment of tuition. All unpaid accounts will be handled through FACTS collections procedures.

Parent/Principal Meet and Greet

The intent of the meet and greet is to examine spiritual/academic areas relating to the student and his/her family and to establish a clear understanding of how the parents, students, and school work together in the training and learning process. It is essential that parents understand and clearly support the philosophy of SJCS, the policies and procedures of the school, and the accountability of parents to God for the training of their child(ren).

Withdrawal from School

Parents must notify the appropriate principal (elementary for grades PK-6, secondary for grades 7-12) regarding withdrawal right away. The principal will then arrange for a date and time to meet with the parent(s) and begin the withdrawal process. During this meeting, a withdrawal form will be initiated. This form will state the date of withdrawal and the reason for withdrawal. After the parent(s) meet with the principal, the director of admissions will work closely with the parent(s) to ensure that all areas are cleared and finalized, using a withdrawal clearance form.

Things to consider when withdrawing:

- Contacting the principal 3-5 days in advance of withdrawal date will enable time to process the withdrawal and help avoid delays. Please note, without advance notice, the official withdrawal may take up to 72 hours to process. In some cases, due to weekends, holidays, and summer break, the time to process may take longer depending on the availability of appropriate personnel.
- After meeting with principal:
 - all textbooks, library books, and school property will need to be gathered and returned to the admissions office.
 - any questions regarding outstanding fees or tuition balances may be directed to our finance office or Dr. Tindol.
 - all school uniforms donated to your child(ren) from the uniform swap room will need to be returned. Simply bag items and drop off to admissions or main office.
 - all athletic uniforms must be returned to the administrator of athletics.
- Once all steps of the withdrawal form and withdrawal clearance form are complete and no balances remain, and upon receiving the official transcript request from new school, student records and transcripts will be sent to the new school.

Additional Information for Students & Parents...

SCHOOL CALENDAR & SUPPLY LIST
Are available at www.stjosephchristian.com

CLASS PERIOD SCHEDULES
School will be in session from 8AM to 3:10PM.

Regular daily schedule

First hour	8:00 - 8:47AM
Second hour	8:51 - 9:38AM
Third hour	9:42 - 10:29AM
Fourth hour	10:33 - 11:20AM
Lunch One/Fifth hour (JH)	11:24 - 11:46AM/11:50 - 12:37PM
Fifth hour/ Lunch Two (HS)	11:24 - 12:11PM/12:11 - 12:37PM
Sixth hour	12:41 - 1:28PM
Seventh hour	1:32 - 2:19PM
Eighth hour	2:23 - 3:10PM

Chapel schedule (Fridays)

Chapel	8:00 - 8:40AM
Study hall (Eighth hour)	8:44 - 9:26AM
First hour	9:30 - 10:12AM
Second hour	10:16 - 10:58AM
Lunch One/Third hour (JH)	11:02 - 11:20AM/11:24 - 12:06PM
Third hour/ Lunch Two (HS)	11:02 - 11:44PM/11:44 - 12:06PM
Fourth hour	12:10 - 12:52PM
Fifth hour	12:56 - 1:38PM
Sixth hour	1:42 - 2:24PM
Seventh hour	2:28 - 3:10PM

Early Outs

School is dismissed at noon on early out days. Parents are encouraged to check their copy of the school calendar, and make a note of early outs, holidays, and special days, i.e. finals, etc. Calendar changes will be published in the weekly email announcements.

Early Out Schedule

First hour	8:00 - 8:30AM
Second hour	8:35 - 9:05AM
Third hour	9:10 - 9:40AM
Fourth hour	9:45 - 10:15AM
Fifth hour	10:20 - 10:50AM

Sixth hour	10:55 - 11:25PM
Seventh hour	11:30 - noon
Eighth hour	no 8 th period on early out days

Late start schedule

First hour	10:00 - 10:33AM
Second hour	10:37 - 11:10AM
Third hour	11:14 - 11:47AM
Lunch One /Fourth hour (JH)	11:47 - 12:07AM /12:11 - 12:44PM
Fourth hour/ Lunch Two (HS)	11:51 - 12:24PM/ 12:24 - 12:44PM
Fifth hour	12:48 - 1:21PM
Sixth hour	1:25 - 1:58PM
Seventh hour	2:02 - 2:35PM
Eighth hour	2:39 - 3:10PM

Eighth Hour

The last hour of the day is considered a viable part of the academic program and is used for many important purposes:

- Study hall, decreasing nightly homework load.
- Teacher/tutor opportunities (Teachers may require attendance for struggling students and students may request teacher assistance also.)
- Make-up opportunities for missed tests, quizzes, labs, class work, etc.
- Class and STUCO meetings, team meetings, pep rallies, college admissions visits, other school assemblies as needed and scheduled by the administration.
- Possible release for early team practices or away competitions as determined by the administration.
- Music practices for school groups and individual lessons scheduled through the music department with administrative approval.
- Leadership development for small group program.

With these considerations in mind, all students scheduled into an eighth hour class are expected to report to that room DAILY for attendance, announcements, and any take-home information before being dismissed to another classroom. Teachers will submit a signed request pass to study hall teachers for an individual student's release.

Students who are unable to schedule medical/dental appointments after school may use the eighth hour time with approved Prearranged Absence form.

WEEKLY EMAIL ANNOUNCEMENTS

Each week, an informative school-wide publication will be emailed to each family.

Announcements/materials from organizations outside the school (libraries, sports organizations, etc.)

SJCS is often contacted by outside organizations wishing for us to share their information with our families. These types of requests are compiled into a school-wide email, called Community Calendar, which is sent periodically from the development office. We do not send hard copy information home with our students.

- Only information which directly benefits students will be considered. *St. Joseph Christian School reserves the right to refuse information at any time at the sole discretion of the administration.*
- Submissions must be made via email, including contact information, to the building principal for approval *at least two weeks in advance.*

FOOD SERVICE

When serving food to a group of students, the following health department guidelines will be followed:

- Hot food prepared at home must be covered and brought hot. It must remain hot. It cannot be allowed to cool and be reheated.
- Food must always be served by adults with plastic gloves (available in the school office) and tongs.
- Students are not allowed to serve themselves. County health regulations require a “sneeze guard” be used if students are served cafeteria style.
- Baked items must be purchased at a store/bakery and brought to school in unopened packages and served as outlined above.
- Students may help in food preparation if the food being made will be cooked and served by adults. Students may not touch food after it’s cooked except to eat it (of course!).
- In all food preparation, very thorough hand washing is an extremely important requirement.

Lunch/Concession Volunteer Information

Many of our classes and groups use the mezzanine for lunch service and concessions. The following checklist is for all adult volunteers who supervise and assist our students with lunch/concessions. Please use it to help ensure that the facilities are left clean and ready to go for the next group. Copies of this list have been posted around the mezzanine.

- Sweep mezzanine area; mop if necessary. (Broom, dustpan, & mop are next to sink. Use about a ½ cup of “Top Clean” [located under the sink] and a half mop bucket of hot water for mopping.)
- Pick up trash in the mezzanine area & the bleachers. (Use small trash bag to collect trash.)
- Wipe off any tables that were used. (Use paper towels and spray bottle of “QT” disinfectant located on the sink.)
- Empty trash cans on the mezzanine and gym floor and take all trash to the dumpster. (New trash liners should be on left side of sink in the marked drawer. To avoid trash bag leakage, use the wheeled trash dolly from the northeast closet [located between bathrooms on the high school side of the building].)
- Clean any dishes that were used; dry and put away. (Dish soap and other supplies should be on or under sink. Follow dish cleaning instructions on wall above sink; use scrub pad if necessary. Towels are in the labeled drawer to the right of sink. Place dirty towels in marked laundry hamper after using.)
- Clean sink area thoroughly after doing dishes. (Use cleanser and a scrub pad for cleaning sink, then rinse with water and wipe dry with towel.)
- Popcorn & hot dog machines should be unplugged, emptied, and wiped down. Place these on the table by the microwaves. (Be extremely careful to avoid skin contact with hot

surfaces.)

- Crock pots for meat & cheese should be emptied & cleaned. These go on the shelf under serving counter. Remaining food items should be wrapped and placed in fridge. (Items placed in fridge must be marked with the date and the class or group to which they belong, such as Concessions, Yearbook, etc. Black sharpies have been attached to the freezer and by the paper towel dispenser to the left of the sink.)
- Wind and put away all extension cords.

INCLEMENT WEATHER POLICY

When will I know if school is closed due to inclement weather? When possible, the superintendent (or in his absence, a designated authority) will attempt to make an announcement to close school by 10 p.m. the night before. In most cases, however, a decision cannot be made until morning. The goal is to make a school closing announcement by 6 a.m.

Who makes the decision? The superintendent (or in his absence, a designated authority) makes the decision to close school based upon current weather conditions, weather forecasts and road conditions. Area schools' decisions are taken into consideration, however we do not always follow the lead of our local public-school districts, since we do not have bus routes to contend with. Remember, if a decision is made for school to remain open, parents have the option to keep their children home for health and safety reasons. However, please be aware that standard school attendance policies will apply.

How do I find out if school is closed? The moment the decision has been made, the superintendent (or in his absence, a designated authority) will activate the OneCallNow (OCN) notification service.

The service will send a message to every school family's home phone/cell phone number and email addresses listed in our current school records. If you miss the call, please wait for the message to be left in your voice mail.

Parents may also tune into area radio and television stations for school closing announcements. Announcement of school cancellation or early dismissal will be made to the following media: KGNM radio, AM 1270; KFEQ radio, AM 680; and KQ-TV2.

What happens if the weather worsens during the school day? SJCS administrators closely monitor the weather and are in direct contact with local law enforcement regarding area highway and road conditions.

St. Joseph Christian School tries to avoid unexpected early dismissals. However, on occasion, early dismissal is unavoidable. Parents must have a contingency plan for supervision of their children in the event school is dismissed early. When it is necessary to dismiss children during the regular school day, the superintendent (or in his absence, a designated authority) will activate the OCN service. We will also contact the media listed above and provide as much advance notice as possible. In addition, the school will send out an email announcing an early dismissal.

If weather conditions worsen and school remains open, parents may choose to pick up their children early by signing them out at the office. Remember, standard school attendance policies will apply.

What about Extracurricular Activities? Decisions regarding cancellation or adjustments in scheduling of extracurricular/athletic activities will be made at the discretion of the governing administrator who will activate the OCN service and notify the media as outlined above. Coaches/sponsors of students immediately involved in the activity will make every effort to contact those students directly.

What about the aftercare program? Aftercare **will not** be available on days when school is dismissed early for inclement weather.

SPECIAL NOTE: We urge parents to consult the media sources noted in this policy and/or check their voicemail rather than call the school offices. Heavy phone traffic during inclement weather ties up office phone lines and usually leads to caller frustration.

INSURANCE

The school facility and the school bus are properly insured to cover liabilities incurred. The school insurance for injury is secondary to the family's personal insurance.

LIBRARY MEDIA CENTER *4/2018*

The St. Joseph Christian School Library Media Center supports the school's philosophy by selecting and providing carefully chosen books and other media for use by its patrons (administrators, teachers, students, and parents).

Selection Procedure

Material selection is a cooperative process in which school staff and patrons may participate. Primary responsibility, however, will rest with the library media specialist, who is familiar with the curriculum, needs of the students, available resources, inventory, and overall needs of the media center.

Gifts

The media center could not have grown to its present size without the generous support of its patrons. We encourage the continued giving of resources with these guidelines:

- Materials donated will be evaluated by the library media specialist.
- Donors will be given an acknowledgement of gifts but an evaluation for tax purposes will not be provided unless the gift is a monetary donation or a new book.
- Donations that do not meet the school's criteria or objectives will be disposed of.

Copyright

It is the policy of St. Joseph Christian School to comply with the intent and purpose of current copyright laws.

Reconsideration of Material

Media center materials are carefully selected with consideration to the needs and interests of its patrons. However, if items are found to be objectionable, procedures are in place to ensure that suitable thoughtfulness is given.

Rights of Media Center Users

The media center meets the needs of its patrons by providing a comprehensive collection of instructional materials in agreement with the collection and selection policy as well as maximum accessibility of these materials to all.

Check out/Return Procedures

Although students may use the media center any time at teacher discretion, elementary students visit the library weekly during their regularly-scheduled class time.

All books have a two-week checkout period and students are responsible to return them by date due. A book return is located outside the library doors for returning books when the library is closed. Students may renew a book for an additional two weeks and are then asked to return it so that another student may have the opportunity to read it.

As a general practice, students are limited to two books checked out at a time. Special projects may supersede that policy, allowing for additional checkouts.

Students with overdue items may only checkout additional materials at the library media specialist's discretion.

While overdue materials are not assessed a fine, items are considered lost after 30 days overdue and the replacement cost will be submitted to the financial secretary to be added to the student's account.

Transcripts for graduating or withdrawing students may not be released until any lost items are paid in full.

Parents may check out materials from the parent collection as well as the elementary and high school collections and are responsible for the return of the items in the same manner as students.

Volunteers

Media center volunteers play an important part in the operation of the library. They are trained to check out and check in items, return items to the shelves, make repairs, process new materials, write overdue notices, and cover books. The help of parent volunteers is welcome and appreciated. Parents may contact the librarian to volunteer.

LOCKERS

Student lockers are the property of the school and are provided as a service for students to secure their belongings. Any locker may be opened and its contents may be searched or examined by school authorities without the permission of the student at any time when, at the sole discretion of school authorities, they deem it necessary to do so. Students must understand clearly the following guidelines:

- Students must use only the locker they are assigned.
- Students may not switch lockers with another student.
- Students must not share their own locker with another student.
- Administration may inspect/search lockers at any time.
- Lockers must be kept clean inside and out.
 - Use of tape is not allowed at any time.
 - Students must not place anything on lockers that cannot be easily removed without affecting the surface of the locker.
 - Writing/painting on lockers is prohibited.

- It is unwise to leave valuable items in a locker. Students who desire to, may check out a combination lock for their locker from the school office. Locks brought from home are not allowed.
- Students may not enter the locker of another student without permission from that student.
- Students are responsible to pay for any locker damage.
- Problems with a locker should be immediately reported to the school office.
- SJCS is not responsible for lost, stolen, or damaged goods belonging to students.

Backpacks/Bags in Classrooms

Generally, students are expected to keep their belongings in their locker.

Students may only bring bags/backpacks into a classroom if the teacher has a designated area assigned for **all** bags/backpacks to be placed. If a designated area is not assigned, or there is not enough room in a classroom, students may not bring bags/backpacks into the classroom. Bags/backpacks are not allowed to be on the floor in the hallway.

LOST AND FOUND

To keep the halls clean and uncluttered, anything found lying outside a classroom, gymnasium, or in the restrooms will be taken to the lost and found area. At the end of each quarter, anything unclaimed will be donated to a charitable organization. **We strongly recommend that parents label all clothing/personal items with student's name(s).**

LUNCHES

Students bring their lunches and eat on the mezzanine under the supervision of assigned teachers. Students are required to thoroughly wash hands before eating. Students are not allowed to leave the school grounds at lunchtime.

Hot lunches (i.e. pizza, hot dogs, etc.) may be available on certain days of the week, after the Labor Day weekend. Specific information regarding hot lunches will be published in the daily email announcements shortly after the beginning of the school year.

Occasionally, parents may wish to bring lunch and enjoy lunchtime with their student. In compliance with the security system and to facilitate speedy entry to the building, please notify the school office in advance of any expected lunch guests. Always enter the west office doors, sign in and wear a name tag while on campus.

Parents should email the principal one day in advance for approval when their student is expecting a non-parent lunch guest. Approval may be denied or rescinded if a guest's behavior is unacceptable.

Students may purchase beverages from the soft drink/fruit juice machines near the mezzanine.

Information for lunchtime volunteers is located under Food Service.

MEDICAL CARE/OVER-THE-COUNTER MEDICATION

While St. Joseph Christian School does not have a nurse on staff, our office personnel are trained in first aid and CPR. As soon as we are aware that a student has been injured or is not feeling well, we carefully assess the child and provide appropriate care.

Head injuries in particular, are assessed and treated carefully. Anytime a student's head is injured in such a way that a knot (goose egg) or bruise develops, or the student seems dazed or disoriented, is experiencing nausea, blurred vision or a headache, the parents will be

notified immediately by phone. In addition, in the case of head injuries or other serious injury, an injury report will be completed by the adult supervisor in charge of the student. Injury reports are signed by the principal and filed in the operation manager's office. Parents and staff should be aware that the effects of a concussion may not manifest themselves immediately, and students should be monitored carefully for symptoms; medical care should be sought, if necessary. Should a student sustain a concussion in or out of school, s/he may not participate at recess or in a PE class until the parent provides the school a medical release form, signed by a health care provider that clears a student for participation in recess and/or PE.

Secondary student athletes are subject to MSHSAA guidelines regarding head injuries. An athlete who suffers a concussion is subject to MSHSAA's Return to Play (RTP) procedures as outlined in the link below. Spine and Sport Physical Therapy and Aquatics provides baseline head impact pre-tests at least once a year. Parents of student athletes (gr. 7-12) are encouraged to make use of this service. For additional information about head injuries, please refer to the following MSHSAA website link:

http://www.mshsaa.org/resources/pdf/ConcussionPacketHB300_Final.pdf .

Many schools no longer offer over-the-counter medications such as Tylenol or cough drops. At SJCS, our desire is to be able to continue to provide this helpful service for our families. We have established the following guidelines for parents to read carefully.

We have a small budget for stocking our medicine cabinet, so we generally offer generic forms of regular strength acetaminophen or ibuprofen. We also welcome new, unopened donations of these as well as band-aids and cough drops.

When it has been determined that a child needs medication, we will first check enrollment paperwork to see that the child has parental permission to receive OTC meds at school. We will not administer medication to students who do not have signed parental permission. Anytime a secondary student comes to the office and requests permission to rest in the sick bay or receives medication (other than cough drops) an email will be sent to parents. Over-the-counter medications are dispensed according to package dosage directions. Excess doses will not be administered to any student.

Of course, if a student becomes seriously ill or injured, we will notify parents immediately by phone, or, at the administrator's discretion, contact those listed on the student's emergency information form.

Special note regarding medications other than those listed above or prescription medications:

No prescription medication will be administered at school without written parental consent. A *Request to Have Medication Administered at School Form* must be on file for all students who regularly take prescription medication at school. Forms are available at the school office. Prescription medications must be in their original container and have dispenser provided. The student must bring the medication with completed permission form to the office at the beginning of the day. No medications (except inhalers) are to be stored in classrooms or student lockers/desks/back packs.

Occasionally, a student may need a dose of cold or other type medication while at school. Parents must send written permission with the medication that includes reason for taking the medication, dosage, and time to be administered. Medications must be in their original container. The student must bring the medication with written parental permission to the office at the beginning of the day. Such medications are not to be stored in classrooms or student

lockers/desks/back packs.

PARENT/TEACHER CONFERENCES

Parent/teacher conferences are conducted at the end of the first and third quarters. Parents are asked to make appointments through the office for these conferences; however, teacher-requested appointments will take first priority. Parents are encouraged to set appointments to meet with teachers at any time throughout the school year.

REGISTRATION

Registration, which is held a couple of days prior to the first day of school for all students, involves the following:

- Students may request course changes if they have not already done so.
- Students receive locker assignments and may check out a lock for their locker.
- Students may bring supplies and place in their locker.
- Kleenex and paper towels go to first hour teachers.
- Students have the opportunity to become familiar with classroom location.

STUDENT TRANSPORTATION

Daily to/from school

Parents are responsible to transport their children to and from school. We expect students to arrive on time so that classes can begin promptly.

Students who drive to school regularly will be assigned a parking space.

Cars and bikes brought to school should be locked and are to remain off-limits during the school day.

To extra-curricular events

The school bus will be used as much as possible to transport students to extra-curricular events. In the event a bus is not available, a car pool will be organized.

After extra-curricular events

Extra-curricular participants whose families are present at the end of an extra-curricular event may leave the event and ride with their family. All other participants will return to school on the bus. A student will not be released to ride home with a family other than his/her own unless his/her parent(s) have made arrangements in advance by sending a written note to the coach/trip sponsor.

Students driving other students

Because of the tremendous liability, student drivers are not allowed to transport other non-family students to off campus activities/extra-curricular events. Parents who wish to request an exception to this policy may contact the principal.

ARRIVAL / DISMISSAL PROCEDURES

Students may be dropped off as early as 7:40 AM and must be picked up no later than 3:20 PM. We greatly appreciate your cooperation in picking up your children promptly.

Please make sure that *all* students are here by 7:55 so that classes may begin promptly at 8:00.

Morning Arrival:

Always follow directions of teachers/staff on duty.

All pre-kindergarten and kindergarten students and their older (through 12th grade, non-driving) siblings are dropped off at the Pre-k/K loop:

- Pre-kindergarten students report to their classrooms.
- Kindergarten students report to the kindergarten playground.
- Siblings in grades 1- 6 enter the building through the east (elementary) entrance and pass through to the west playground.
- 7th-12th grade students enter the building, and make their way through the halls to the JrH/HS wing. 7th through 12th grade students may not linger in the elementary portion of the building before school.

Parents wishing to stop their vehicle and help their younger student(s) unload must park in the parking lot and walk their child to the playground. If your student(s) can exit your vehicle and close the door safely, carefully pull into the right-hand lane in the circle drive, as far forward to the crosswalk as possible for your student(s) to unload. Someone should be available to assist. (*Please do not park in the circle drive at any time before school.*) After a brief stop for your student to carefully unload, exit onto Gene Field Road.

Elementary students who ride with an older (HS) student will walk into the building with their older sibling, through the east (elementary) entrance and pass through to the west playground.

All other elementary students and their older (through 12th grade) non-driving siblings are dropped off in the west (office) entrance circle drive:

- Elementary students report to the playground.
- 7th-12th grade students will enter the building through the high school entrance.

Drivers should proceed all the way to the far edge of the sidewalk, near the west edge of the playground. Several cars will unload at a time. **The police department has notified us that we cannot have cars stopped on Gene Field Road waiting to enter the circle, therefore, drivers must pull as far forward as possible and not tarry, but keep the line moving in a steady, safe manner.**

All remaining JrH/HS non-driving students are dropped off in the north drive and enter the building through the north (high school) entrances.

High School students who drive will be assigned a numbered parking space on the east parking lot. They will enter the building through the northeast (high school) entrance.

High school students who drive and bring elementary students will park & walk into the building with the younger students, through the east (elementary) entrance and make their way through the halls to the JrH/HS wing.

In the event of inclement weather, children will be directed to wait inside the building. So that teachers may have time to finish preparation for the day, students will not be allowed to enter classrooms before school.

Afternoon Dismissal:

All elementary students will be picked up from the east parking lot everyday unless specific arrangements have been made in advance with the school office.

Always watch for pedestrians, especially children.

Always follow directions of teachers/staff on duty.

Always enter the east parking lot from Riverside Road.

There is a ten minute gap between elementary dismissal and JrH/HS dismissal to better facilitate traffic flow after school.

At the beginning of the school year, elementary families will be assigned pick up locations as follows (All the families in a carpool are assigned to the same pick up location, please notify the school office of carpool plans.):

Pre-kindergarten students and their older elementary siblings are dismissed from the Pre-k loop. *Should a Pre-k parent also have a JrH/HS student, we ask that they pick up their younger child(ren) and then drive around to the north drive to pick up their older student.*

Please note: Parents picking up students in the circle drive should proceed slowly and cautiously, making two lines; pre-k room 101 on the outside (left or south) lane and pre-k room 102 on the inside (right or north) lane. Please turn off your vehicle and do not block the crosswalk.

When dismissing, teachers will lead the children down the line past each car. Parents, please *remain in your vehicles until your child comes to you.* As the teacher passes your car, you are then welcome to help your child into your vehicle. Some children worry when their parent isn't readily seen, and this system assures the children that everyone will safely reach their car eventually. *Only after teachers have indicated that everyone is safely in their car, may drivers begin to exit onto Gene Field Road.*

Drivers who enter the lot after the lines have begun to move will be asked to stop, park, and wait until the lines have cleared. When the parking lot is clear, late drivers will be directed to pull into the Pre-k loop to pick up their children.

Families of elementary students (who DO NOT have JrH/HS siblings) will be assigned to pick up lines. Drivers must enter the east parking lot through the Riverside Road entrance and proceed to their assigned lines. Students will be accompanied to the parking lot by their teachers, who will oversee loading. Students will immediately locate their line and get into their car. Students who do not find their ride will go directly to the area outside the Pre-k doors to wait. *Only after teachers have indicated that everyone is safely in their car, may drivers begin to exit, following teachers' directions.* Drivers who enter the lot after the lines have begun to move will be asked to stop, park, and wait until the lines have cleared. When the parking lot is clear, late drivers will be directed to pull into the Pre-k loop to pick up their children.

Families of elementary students (who HAVE JrH/HS siblings) will park in the Elementary/JrH/HS Dismissal Section to wait for their student(s).

Drivers must enter the east parking lot through the Riverside Road entrance and proceed to their assigned dismissal location. Elementary students will be accompanied to the parking lot by their teachers, who will oversee loading. Elementary students will immediately locate their ride and get into their car. Students who do not find their ride will go directly to the area outside the Pre-k doors to wait. Drivers may then wait; JrH/HS students will follow shortly.

Families of JrH/HS students (who DO NOT have elementary siblings) will pick up their student(s) in the north drive.

Elementary students who are riding home with an older (HS) sibling will wait inside at a supervised location until elementary loading and dismissal is completed. Their older sibling will collect them and walk out to the parking lot with them. High School students must be prompt in collecting their elementary siblings after school. These students will also be assigned to a pick up line for days when their older sibling is unable to drive them home (i.e. athletic practices) and a parent picks them up.

TECHNOLOGY 5/2017

St. Joseph Christian School recognizes the educational value of information technology use by students, faculty, and support staff. These information technology tools are a means of enriching learning and access to information.

The school's technology exists primarily for the purpose of maximizing the educational opportunities and achievement of the students. The work environment of the staff is enhanced by the availability of this technology.

Use of school owned technology in a disruptive, inappropriate or illegal manner will not be tolerated. Therefore, a high level of personal responsibility is expected of all students, staff and other users of school owned technology.

All St. Joseph Christian School labeled technology is considered school property. The school may maintain or improve technology resources at any time. The school may remove, change, or exchange hardware or other technology between buildings, classrooms, employees, students or any other user at any time. The school may examine all information stored on school owned technology at any time.

Definitions:

User – any person(s) permitted by St. Joseph Christian School to utilize any portion of the school's technology resources (computers, printers, network, software, Internet access, copiers, scanners, digital image equipment, or other computer-operated systems).

School – duly authorized St. Joseph Christian School board members, administrators, technology committee members, or designees.

Administration of Policy

The St. Joseph Christian School Board directs the IT specialist and technology committee to create rules and procedures governing technology usage to support the technology program as needed. St. Joseph Christian School technology will be maintained in a manner that will protect the integrity and confidentiality of all student and employee information retained or accessed through school technology. Administrators of computer resources may suspend or revoke access to and/or availability of the school's technology to diagnose and investigate network problems or potential violations of the law or school policies, regulation, or procedures.

User ID and Network Security

Use of the school's technology is a privilege, not a right. No student, staff, board member, or

agent will be granted a user ID, password, or access to technology if s/he is considered a security risk.

User Agreement

All users:

- are required to sign the Acceptable Use Policy (AUP). These are kept on file in the operation manager's office.
- must adhere to school policies, regulations, procedures, and other guidelines. All users must immediately report any security problems or misuse to the IT specialist.
- must recognize that they do not have a legal expectation of privacy in any e-mail, internet use, or other services involving the school's technology. Access to the network will be granted only on the condition that the user consents to interception or access to all communication accessed, sent, received, or stored on school technology.

Personal Computers

Personal computers wholly owned by visitors, faculty, staff, board members, or agents of the school may be used on the premises provided the following criteria are met:

1. The school's current technology policy will govern connection to school servers, network, or internet access. A current AUP must be on file prior to any connection being attempted. Personal computers connected to the school's network must meet all defined technical and licensing requirements.
2. All use of personal computers on school property will meet the same expectation of personal accountability. No employee should have an expectation of privacy regarding the use of school-owned electronic equipment.

Software

All software owned by St. Joseph Christian School may not be removed, copied or transferred without the consent of the IT specialist.

The IT specialist may allow individually owned software to be loaded provided the following requirements have been met:

- Written approval has been obtained from the St. Joseph Christian School Technology Committee. (Primarily to prevent software conflicts)
- The software is the original manufacturer's copy or a single backup copy. If a backup copy is used, the original must be kept on file by the IT specialist and this must be compliant with the EULA as stated by the software manufacturer.
- The software content may not conflict with the mission or values of St. Joseph Christian School.

Content Filtering and Monitoring

The school will monitor the on-line activities of students (minors) and operate a technology protecting measure ("filtering/blocking device") on all networked computers with internet access, as required by law. The filter device will protect against access to depictions deemed obscene, harmful to minors, and child pornography, as required by law. Evasion or disabling of the filter device (including attempts to evade or disable) will be considered a violation of policy.

Closed Forum

The technology resources of St. Joseph Christian School are not a public forum for the expression of any kind and are to be considered a closed forum to the extent allowed by law.

The school web page will not be used as an open forum.

All other expressive activity involving the district's technology is subject to reasonable, prior restraint and subject matter restrictions as allowed by law and St. Joseph Christian School Board policies.

Damages

All damages incurred by the school due to the misuse of the school's technology resources, including the loss of property and staff time, will be charged to the user.

General Rules and Responsibilities

1. Sharing one's user ID or password with any other person is prohibited.
2. Deletion, examination, copying or modification of files or data belonging to other users without prior consent is prohibited.
3. Mass consumption of technology resources that inhibits use by others is prohibited.
4. Non-educational internet usage is prohibited, unless prior authorization is received.
5. Accessing fee services without permission from an administrator is prohibited. Any user who accesses such services without permission is solely responsible for all fees incurred.
6. All users are required to obey all laws, including copyright, privacy, defamation and obscenity laws.
7. Accessing, viewing or disseminating information, including e-mail or internet access, that is pornographic, obscene, child pornography, harmful to minors, obscene to minors, libelous, pervasively indecent or vulgar, or advertising any product or service not permitted to minors is prohibited.
8. Any use which has the purpose or effect of discriminating or harassing any person or persons on the basis of race, color, religion, sex, national origin, ancestry, disability, age, pregnancy or use of leave protected by the family Medical Leave Act or the violation of any person's rights under applicable laws is prohibited.
9. Only the IT specialist is authorized to install and use properly licensed software, audio or video media purchased or approved the school on school owned technology. Copying for home use of school owned software is prohibited unless approved by the school and in compliance with applicable end user license agreements.
10. At no time will school owned technology or software be removed from the premises without authorization.
11. The introduction of computer viruses, hacking tools, or other disruptive/destructive programs onto a school computer, network, or external network is prohibited.

On-Line Safety

1. All student users must have a signed AUP on file and will be instructed on the dangers of sharing personal information about themselves over the internet.

2. Employees shall not transmit confidential student information using school technology, unless approved for that use. Employees will take necessary precautions to prevent negligent disclosure of student information or records.
3. No publication using school technology will include the address, phone number, or e-mail address of any student without permission.

Waiver

Any user who believes s/he has a legitimate reason for using the technology of the school in a manner that may violate the school's policies may request in writing a waiver from the technology committee. In granting the waiver, the purpose, age, maturity, and level of supervision involved will be considered. Any waiver granted or denied will be in writing.

No Warranty

St. Joseph Christian School makes not warranties of any kind, expressed or implied for the technology services to which it provides access. The technology resources are available on an "as is, as available" basis. The school is not responsible for loss of data, delays, non-deliveries, miss-deliveries or service interruptions.

Student Use of Personal Technology - ELEMENTARY

Elementary students are not allowed to bring personal laptop computers to school. The following policy applies to all other personal devices, such as e-readers, iPads, iPods, etc.

PreK-3rd grades: Students in these grades are not allowed to bring any technological devices to school. We understand that there are some circumstances (such as going after school to a friend's house) when a student may be carrying such a device with them to school for later use. This practice is discouraged as many things can happen during the school day, and the school will not be responsible for damaged, lost, or stolen items. If a student must carry those items with them, they must be turned off and left in the student's backpack.

4th-6th grades: Students in these grades may bring devices only **with the teacher's permission, and only for educational use. Such devices may only be used in the classroom under the supervision of the teacher.** They may not be used anywhere else in the building or on the playground before or after school or during recess. Students should not allow other students to use their device, or leave it in the care of others. There is no expectation of privacy for users of such devices, and students must be willing to allow teachers/administrators to check their device at any time to insure appropriate usage. If the device is used for any purpose other than educational, it will be confiscated, sent home at the end of the day and the student will not be allowed to bring it back. Parents and students are reminded that classrooms are busy places with lots of people moving about and accidents can easily happen. If students choose to bring such devices to school, they must accept full responsibility for them. SJCS assumes no responsibility or financial liability for any damage the student or parent may incur, including but not limited to theft, physical damage, and loss of data or software.

Student Use of Social Media - ELEMENTARY

Parents please note that most social media sites require users to be 13 years old, which would preclude elementary students. If you allow your child to access such sites, please remember it is your responsibility to monitor their usage carefully.

Students who participate in online interactions must remember that their posts reflect on the entire SJCS community and, as such, are subject to the same behavioral standards set forth in the student handbook.

In addition to the regulations found in the student handbook (including the Acceptable Use Policy), students are expected to abide by the following:

- Students may not use social media sites to publish disparaging or harassing remarks about any person or persons.
- Students who choose to post editorial content to websites or other forms of online media must ensure that their submissions do not violate student handbook policies regarding speech, profanity, coercion, threat, intimidation, fear, bullying, or other policies.
- Failure to abide by this policy may result in disciplinary action as determined by the administration.

Policy for Personal Use of Student-Owned Laptops, Tablets, Smartphones in School – SECONDARY ONLY

A copy of this policy (available in the office) must be signed and on file in the HS Office prior to a student's bringing his/her personal laptop/computer to school.

The use of personal laptop computers is a privilege which the school grants to any student (parent/guardian) who is willing to assume the responsibility of abiding by the guidelines set forth in this and the Acceptable Use Policy. Each student (and parent/guardian) must comply with the following guidelines by reading and signing the policy.

During the course of the school year, additional rules regarding the use of personal laptops may be added. If this occurs, any new rule will become a part of this policy.

General Usage

St. Joseph Christian School provides the opportunity for students to bring a personal laptop to school to use as an educational tool. The use of these laptops is a privilege and will be at teacher discretion.

1. Students must obtain teacher permission before using a personal laptop.
2. Student use of a personal laptop must support instructional activities.
3. Students must disable all audio/video functions while on campus. **Web cameras and audio recorders may never be used on campus.**
4. Students must turn off and put away a personal laptop when requested by any teacher/staff member. The student must adhere to any additional guidelines that a teacher may require.
5. Students are strictly prohibited from using peer-to-peer software, file sharing programs, live streaming, telnet, or messenger programs as well as other resource intensive applications, including but not limited to Kazaa, Lemaile Wire, Morpheus, and Napster.
6. Students must understand that there is no presumption of privacy for communications stored, sent, received, or accessed through SJCS networks, email systems, and internet connections and that any such material may be monitored or spot-checked to ensure

compliance with SJCS policies.

Consequences of General Usage Violations

If students refuse to comply with the above guidelines, the following consequences may apply. The administration reserves the right to assign additional consequences as per handbook policy.

- 1st Offense - Laptop will be confiscated until the end of the school day, when the student may retrieve it.
- 2nd Offense - Laptop will be confiscated until the end of the day, when the student's parent must retrieve it.
- 3rd Offense - Loss of laptop privileges.

Laptop/Personal Digital Devices Security Risks

Students who choose to bring a laptop to school assume total responsibility for the laptop. The laptop should not be used by or left in the care of others. Laptops and other personal digital devices must not be left unattended in hallways, classrooms, gym, locker rooms, vehicles, etc.

St. Joseph Christian School assumes no responsibility or financial liability for any damage the student or parent may incur, including but not limited to theft, physical damage, and loss of data or software malfunctions. If a laptop computer appears to be missing, the student will immediately report the incident to the principal, who will determine the appropriate extent to which an investigation should occur.

Student Responsibility

Students must fully charge their laptops prior to bringing them to school. If a student laptop is in need of a charge, s/he must obtain permission from his/her teacher. Each student is responsible for his/her own content and file management. The school does not support hardware or software on personal laptops.

Access Control and Authentication

To use a laptop on campus, students must have a signed Personal Laptop Usage Policy on file in the HS office. Once a signed (both student and parent/guardian) policy is on file, the student will be issued an access code.

The access code is for SJCS families/staff and SJCS approved student use only. Students must not share the access code with other students or any non-SJCS individuals. The access code will be changed periodically.

Student Use of Social Media - SECONDARY

First and foremost, students are encouraged to always exercise the utmost caution when participating in any form of online communications. Students who participate in online interactions must remember that their posts reflect on the entire SJCS community and, as such, are subject to the same behavioral standards set forth in the student handbook.

In addition to the regulations found in the student handbook (including the Acceptable Use Policy), students are expected to abide by the following:

- Students may not use social media sites to publish disparaging or harassing remarks about any person or persons.

- Students who choose to post editorial content to websites or other forms of online media must ensure that their submissions do not violate student handbook policies regarding speech, profanity, coercion, threat, intimidation, fear, bullying, or other policies.
- Failure to abide by this policy may result in disciplinary action as determined by the administration.

ST. JOSEPH CHRISTIAN SCHOOL COMPUTER & NETWORK STAFF ACCEPTABLE USE POLICY (AUP)

St. Joseph Christian School computers, the network to which they are connected, and Internet connections are provided to enhance productivity, to facilitate professional communication, and to harness the resources of the Internet in the service of the education of the students of St. Joseph Christian School.

I. Computer and Software:

St. Joseph Christian School computers will be installed and maintained ONLY by authorized staff. Only the IT specialist will be allowed to authorize installation or maintenance of either hardware or software on St. Joseph Christian School computers.

A. SJCS has an obligation to ensure that software on its computers is being used legally according to that software's license and to ensure that any software installed does not create difficulties on the individual computer or on the school network. Staff members who wish to be authorized to install a particular piece of software on their computers or who wish to have such software installed must certify that they are using the software according to license and must register the license information with the IT specialist prior to installation.

1. Multiple installations of the same license number will be assumed to violate copyright unless a multiple license provision can be demonstrated.
2. Software not related to the mission of SJCS will not be installed on SJCS equipment.
3. 'Migrating' to an upgraded computer does not carry with it the right to 'migrate' software to that computer unless that software is wiped clean from the original computer.

The IT specialist has the capacity to survey individual computers, will remove programs not authorized for installation, and will report the incident to the appropriate individuals.

- B. Any password protection whether at the system level or the program level must be registered with the IT specialist. SJCS needs the ability to access its own equipment. Care must be taken to ensure that students or other unauthorized individuals cannot change passwords.
- C. Screen savers, sound events, wallpaper and other system additions represent SJCS as well as the individual. Care should be taken to be above reproach.
- D. No images, sounds, or media of any sort may be added to SJCS equipment or to materials produced through SJCS Equipment that violate copyright.

II. Local Area, School-wide, and Network

Electronic information services (Local, School-wide, and Internet) are available to students and staff at SJCS. SJCS strongly believes in the educational value of such electronic services and recognizes their potential to support curriculum and to allow staff to efficiently provide educational services. St. Joseph Christian's goal in providing this service is to promote educational excellence by facilitating research, innovation, communication, and business efficiency. Staff Internet access will be granted through local area networks and SJCS Internet connections. A set of expectations and understandings apply to all using SJCS network services as representatives of SJCS on the school network and on the Internet through the SJCS Internet gateway. These include:

- A. Staff must understand that all the rules of conduct described in the SJCS Teacher Handbook apply during network use.

- B. Staff must use assigned accounts in support of the educational goals and objectives of the school. Staff will not allow the use of assigned accounts by others. Staff must
 - 1. not send any message through the network, e-mail system or Internet connection under someone else's name.
 - 2. not transmit, request, or receive materials inconsistent with the mission and values of St. Joseph Christian School.
 - 3. not attempt to breach network security or transmit viruses.
 - 4. not use the network, e-mail system, or Internet connection for sexual or other forms of harassment.

- C. Staff must use language appropriate for SJCS in all communications.

- D. Staff must respect the copyright and/or software licensing of material received through the SJCS network, e-mail system, or Internet connection.

- E. Staff must understand that there is no presumption of privacy for communications stored, sent, received, or accessed through SJCS computers, networks, e-mail system, and Internet connection and that any such material may be monitored or spot-checked to ensure compliance with SJCS policies.

III. Sanctions

Individuals who violate the terms of the *Computer and Network Staff Acceptable Use Policy* will be subject to a series of sanctions through the administration including the installation of restrictive lock-down security on their classroom workstation and restriction or revocation of SJCS network, Internet, and/or e-mail privileges.

Additionally, violation of this policy may result in grounds for dismissal or criminal action where appropriate.

TELEPHONES - STUDENT USE

Cell phones *6/2018*

1. As they enter class, students must place their phones (silenced) in the area designated for that purpose.
2. Cell phone cameras may never be used in an area where there is a reasonable expectation of privacy, such as restrooms or locker rooms.
3. Students are permitted to have their phones outside of class time; before school, between classes, during lunch, after school.
4. Students may use their phones during class for specific instruction provided by the teacher.
5. Students caught using cell phones at unauthorized times will have their phone confiscated. See discipline section for details.

School phones

- Students may not use classroom phones.
- Students may use the office phone before/after school hours, between classes, during their lunch hour, or at a teacher's discretion and in keeping with the following guidelines:
 - Students may not use the phone for social plans (i.e. making evening plans, asking to go home with someone after school, etc.).
 - If a student needs to use the phone for something they forgot for class, the student must first get permission from the teacher for whom they need the items. The **teacher** will decide if the student needs to use the phone.
 - A student who is given permission by a teacher to use the office phone during class time for any reason will be marked tardy for that class period.
 - Phone calls are limited to a maximum of two minutes.

Administrative exception

Under certain circumstances, such as when an athletic practice has been rescheduled, the administration will allow students to use the phone to contact parents in a timely manner.

TELEPHONES - PARENT USE

General information

SJCS employs an automated answering/voice message system. When calling the school, please keep the following in mind:

- Incoming calls ring several times before the automated system answers. If you receive the automated system during regular business hours, this indicates office staff may be speaking on another line, temporarily away from the desk, or, in the main office, helping someone at the counter.
- Please follow the instructions and leave a voicemail message for the person you are calling.
- Many times, the swiftest course of communication is through our voicemail system. We appreciate your understanding and cooperation!
- Faculty/staff will know when you have left a message by a flashing light on their telephone.

- Every effort is made to retrieve messages frequently and return them as needed, quickly, and in order of priority.
- Parents should be advised that ringers on **classroom telephones** are turned off during school hours. Although SJCS teachers and staff check their messages frequently, they may not be available to return phone calls until the close of the school day.

Contacting your student

The administration has directed that the school secretary not be away from her office except for planned breaks and lunch. Therefore, office staff are not available to deliver messages or forgotten items to students.

- Teachers and students will not be contacted in class to receive telephone calls or visitors.
- In the event of a serious emergency (death in the family, medical emergency, etc.) the administration is glad to cooperate with parents as needed.

VISITATION POLICY

St. Joseph Christian's outside doors are secured with an electronic locking system, managed by the school receptionist, when school is in session.

Anyone who is not faculty/staff or an enrolled student is considered a visitor (this includes parents), and will be asked to do the following:

- All visitors must enter the building through the school office entrance (west side).
- Visitors may press and release the button on the call box at the office door for admittance/assistance.
- Visitors will be asked to state their name and purpose for their visit before being admitted. Please do not "tailgate" by entering the building with someone who reached the door before you. Wait, and identify yourself to the school receptionist to be admitted.
- Visitors (including parents, lunch volunteers, etc.) must sign in at the school office and wear a visitor's tag every time they visit. This is in accordance with law enforcement safety requirements.
- SJCS is a tobacco free campus. Smoking and all tobacco use is strictly prohibited on school property, by all persons (students, staff, parents, guests). Parent/guest violators may be asked to leave campus immediately.

Parent visitation

While SJCS is not a "closed" campus, we do strive to keep classroom interruptions to a minimum. Out of respect for our parents, who have chosen to pay for a private education, and for our teachers, who work diligently to provide that education, we do not interrupt class instructional time to deliver messages/forgotten items to students. Parents, please be mindful that even a brief visit disrupts continuity of thought for teacher and students. We ask that parents show respect for teachers, classroom schedules and the integrity of their child's education by not interrupting classes.

At times, a parent may need to drop by with a forgotten item (backpack, lunch, etc.) Should a parent wish to deliver an occasional forgotten item or leave a message for their student, the parent will be asked to place the item or written message in the student's locker.

Prospective students

Prospective student(s) and student guests may visit our campus for a partial or full day with parental and administrative approval. Visits must be approved by administration at least one day in advance and are arranged through the admissions office.

Alumni/non-SJCS students

Alumni/non-SJCS students may contact the principal one day in advance for approval to visit during the lunch period. SJCS students should make their guests aware of this expectation.

Approval may be denied or rescinded if a guest's behavior is unacceptable.

STUDENT ACTIVITIES

SJCS student activities instill the vision and practice of excellence in academics, character, and service to others. Each student has unique gifts and abilities given to him/her by God and it is our desire to help each student in the positive expression and stewardship of those talents (Romans 12:4-6). We believe each student should be increasing in wisdom (mentally and emotionally), stature (physically), favor with God (spiritually) and man (socially) (Luke 2:52).

The major objectives of student activities programs are:

- Students will grow in the use of the abilities God has given them.
- Students will learn the importance of teamwork.
- Students will participate in the lives of their peers as well as the local community.

Statistics show that overall student success in school is closely related to the student's involvement in school activities. Students and parents may watch the daily email announcements or contact the school office for up-to-date details about any specific student activity.

Equipping Students Spiritually

4-Twelve

Purpose: To remember the importance of being an example to others and to make a difference by impacting your world for Christ right now.

"Don't let anyone look down on you because you are young, but set an example to the believers in speech, in life, in love, in faith and in purity." 1 Timothy 4:12

Paul is writing to young ministry leader, Timothy, and he is letting him know that he can have a ministry right now if his message is backed by a Godly life.

Once a month, participating secondary students may wear "4-twelve" shirts with jeans and participate in times of prayer/self-evaluation to focus on different aspects of their lives and how they are impacting their world for Christ. Participants sign commitment cards which are kept on file in the school office for accountability.

Missouri State High School Activities Association (www.mshsaa.org)

One benefit of St. Joseph Christian's accreditation is that it enables secondary students to participate in the Missouri State High School Activities Association.

All MSHSAA and extra-curricular activities require full SJCS (MSHSAA) academic eligibility.

All non MSHSAA and extracurricular activities that **require a grade** (ex: a music concert at SJCS) are subject to the policy of the teacher.

Eligibility

A student retains his/her eligibility to participate in MSHSAA activities by maintaining an academic standard (good grades). A student whose grades fall below the SJCS/MSHSAA standard becomes ineligible and cannot participate until certain criteria are met.

At mid-term, a student remains eligible to participate if there are no Fs on the midterm grade report. A student with Fs on the midterm is ineligible to participate for one week beginning the Monday after mid-terms are released.

- The student and his/her parents are notified of ineligibility by the principal or counselor.
- During that week, s/he must raise the grade(s) above an F and complete a Request for Eligibility Form (available in the counselor's office).
- Should s/he fail to raise the effected grades, ineligibility continues week by week until the grade improves.

At quarter, a student remains eligible to participate if there are no Fs on the quarterly grade report and the student has at least a 2.0 GPA for the quarter.

- A student with Fs on the quarterly report card, and/or whose GPA has fallen below 2.0 is ineligible to participate for three weeks beginning the Monday after the last day of the quarter.
- The student and his/her parents are notified of ineligibility by the principal or counselor.
- During that time, s/he must raise the grade(s) above an F, improve his/her GPA and complete a Request for Eligibility Form (available in the counselor's office).
- Should s/he fail to raise the effected grades, ineligibility continues week by week until the grade improves.
- The fourth quarter grade report is used to determine eligibility for participation at the beginning of the following school year.
 - Attendance at summer school, regardless of grade received, does not affect eligibility. (An ineligible student may not restore his/her eligibility by attending summer school.)

Students on academic probation are also ineligible.

On the day of an event, a student must attend school the first four hours of the day to be eligible to participate in that day's event.

Student activities which operate under MSHSAA guidelines are denoted with a **.

Academic Activities

Students may participate in a variety of academic activities. These may include Science Fair, Mathletics, Quiz bowl**, Chess Club, etc.

Athletic Activities**

Our athletic program operates under MSHSAA guidelines, is overseen by the athletic administrator (AA) and currently includes football, basketball, baseball and track/cross country for gentlemen with volleyball, basketball, track/cross country and cheerleading for ladies.

Athletics are an extension of the classroom and a vital part of a student's educational experience. Many lessons can be learned through athletics that last a lifetime. Participating in athletics at SJCS is a privilege and not a right.

Goal of SJCS Athletics

To be committed to developing optimum spiritual, physical, mental, emotional, and social growth in order to "press on" for the cause of Christ in the present and the future. (Philippians 3:7-14)

Opportunities

- Work ethic (Col 3:23)
- Dealing with success (1 Peter 5:6)
- Coping with disappointment (James 1:12)
- Handling conflict (Matthew 18:15-18)
- Love one another (John 13:34,35)

What does it mean to win at SJCS?

Winning at SJCS means that the Lord is honored. Achieving victory in the spiritual realm through demonstrating a Christ-honoring testimony, persevering in difficult situations, winning or losing with grace, and treating opponents and officials with respect. A win at SJCS is characterized by others seeing a difference in our players, coaches, and spectators.

Spiritual Victory Examples

- Demonstrating the fruits of the Spirit during stressful situations. (Galatians 5:22)
- Submitting to the rules of the game and the officials. (Titus 3:1,2)
- Presenting oneself as a living sacrifice on and off the field. (Romans 12:1)
- Praising God in victory and defeat (Psalm 150:6)
- Conducting oneself as an example of Christ (1 Timothy 4:12)

Spiritual Defeat Examples

- Belittling an opponent or official (James 3:9)
- Using offensive language (Col 3:8)
- Losing one's temper or becoming uncontrolled (Proverbs 29:11)
- Breaking the rules (Prov. 12:17)

SJCS is a member of MSHSAA and must abide by its guidelines in all areas. Some of the following policies are MSHSAA requirements.

Physicals/Insurance

Prior to participating in school practices, an updated physical must be on file in the school office. A physical is valid for the following school year if issued on or before February 1st the previous school year (MSHSAA). An athlete must obtain a new physical after a 12 month time period.

A student shall not be permitted to practice or compete for a school until it has verification that s/he has basic athletic insurance coverage (MSHSAA).

Funding/Fees

SJCS Athletics has its own budget and is self-supported. Athletic fees are paid for each individual sport and must be paid prior to the team's first contest. Persons interested in becoming an athletic sponsor (advertisements, tickets, clothing, food vouchers) please contact the AA for information.

Behavior/Discipline

Because our athletes are representatives of our school to the outlying communities on and off the field we expect them to take on a great responsibility. Many times the only contact people make with our school is through their observations of our athletic teams. If an athlete makes a poor choice on or off the field, it will be dealt with immediately. The athletic administrator and principal will work with the coach, parents, and athlete to explain the consequences and work to bring about restoration to the athlete. Athletes may be suspended for a short time or indefinitely depending on the situation.

All athletes are subject to the school's zero tolerance policy regarding the use of intoxicants, tobacco, and illegal drugs of any kind.

If a student receives a technical or personal foul due to inappropriate language or an unsportsmanlike action, they will be suspended for half of the next game. A second offense would result in being suspended for the next game. A third offense would result in a long term or indefinite suspension.

Attendance

Students are required to attend half of the school day in order to participate in an athletic event. A student must be at school by 11:30 am in order to participate. On early out days, they must be here for half of the class periods. Students leaving school early will not participate without administrative approval. Students who are absent for reasons other than illness need administrative approval to participate as well.

Practice Requirements

Students must have 14 different days of practice to participate. If a season carries immediately into another season (football/basketball), the football player does not need the practices.

Enrollment

In order to participate in summer activities (weightlifting, camps, leagues) an athlete must be on the official school enrollment roster for the following year.

Sponsorship

MSHSAA has guidelines for athletes receiving sponsorship to attend SJCS. Please check with the principal and financial secretary if you are sponsored by an organization or are seeking sponsorship.

Transferring to SJCS

If you are new to SJCS, we will contact you to get information as it pertains to participating for SJCS. The grade level and circumstances around the transfer impact levels of eligibility.

Paid/Volunteer Coaches

All coaches must be approved by MSHSAA and must go through an SJCS application process. Coach openings will be made known through regular school communications. Parents or other volunteers are not allowed to help with any practice or game.

Playing Time

Due to the varied talents of student/athletes on each team, playing time is not guaranteed. It is the desire of the athletic department to get each player quality minutes during the season. Concerns regarding this should be handled immediately (see Handling Conflict).

Team Cuts

If at all possible, the coaches will not cut players. Team cuts may take place if the number of players is too high that makes the team difficult for the coaches to manage and coach. If the coach decides that it is necessary to make cuts, the coach will meet with the AA and principal to discuss. Athletes must be given detailed expectations that are communicated in written and verbal form to all the athletes.

Lettering

High school varsity letters are given to athletes who played in half of the quarters or games depending on the sport. Cross country and track letters are determined by the coaches.

Equipment/Uniforms

Equipment/uniforms are the responsibility of the athlete. The AA will determine the replacement cost of damaged/lost items and charge them to the athlete.

Adding Sports

If you have an idea for a sport to add at SJCS you may contact the AA.

Travel

Athletes are required to ride the bus to and from all away games. If you would like to take your athlete with you after a game, you must sign the coach's permission sheet. If you would like for your athlete to ride home with another parent and you are not at the game, you must send a note with the student to give to the coach.

Dress

Students must wear school uniforms or team traveling suits to all away games. Coaches need to ensure that their team looks professional when traveling.

Handling Conflict (Matthew 18 principle)

Step 1. Talk directly to the coach about the particular issue. Right after a game is not a recommended time to do this. Scheduling a meeting the following day is highly recommended.
Step 2. Talk to the coach with another individual present. This could be the AA or principal.
Step 3. Talk to the superintendent about the unresolved issue.
Step 4. Talk to the school board about the unresolved issue.

Sporting Event Conduct

Because we should honor the Lord in all that we do, it is expected that fans, as well as players, will conduct themselves in a courteous fashion. We believe in treating opponents, officials, and visitors with respect. This attitude eliminates booing and razzing.

We believe in maintaining the highest level of conduct and sportsmanship, whether in victory or defeat.

Chapel ministry

Chapel is usually held once a week. In addition to a student chapel team, faculty, as well as local pastors and spiritual leaders in the community participate and lead in these services. Parents and friends are welcome to join SJCS students in chapel.

The student chapel team facilitates worship through the use of instruments and singing (worship band) and technology (media/sound system), as well as setting up/ breaking down in the gym for chapel each week. Students interested in serving on the chapel team may contact the student life director for details.

Class activities

Each high school class, freshman - senior, is assigned a faculty sponsor who works with students and parents in fund raising and planning of class activities.

Generally, classes raise funds by serving concessions at school events. The yearly concessions schedule is divided among the classes by the administration. The class sponsor may set up a shift rotation so that service is divided equally among the students.

The concessions manager provides all materials and sets up the concessions area. Students and parents operate the concessions area during the event and clean up afterward.

Some traditional ways classes have used their funds include (these are subject to change at the principal's discretion):

- Freshmen - host tailgate party before the first home football game
- Sophomores - host the autumn/spring homecoming activities
- Juniors - host the junior/senior prom
- Seniors – senior trip, leave a class gift to the school, senior celebration activities

Junior high activities

Seventh grade parents plan and prepare to host the reception for eighth grade graduation, in cooperation with the administration.

Junior year activities

Junior parents plan and prepare to host "senior night" in cooperation with the administration and senior parents.

Senior year activities

Senior students and their parents may find the following general information helpful. Specific details are provided closer to time.

Autumn - Senior parent meeting with the principal to outline the year's activities

Caps and gowns, announcements are ordered

Ongoing - Junior parents plan and prepare to host "senior night" in cooperation with the administration and senior parents. Senior night is an event held the week prior to graduation

when seniors are honored for their accomplishments, receive any awards they have earned, and share their future plans. Refreshments are served.

Spring –

Seniors' last day of school: Senior chapel, decorating cars, senior send-off.

Graduation: Each senior is provided one-half of an eight-foot table to use for his/her senior display; an opportunity to highlight accomplishments and friendships. Students often use a tri-fold board (like those used for science fair), digital picture frame, or laptop with power point-type presentation to display pictures and memorabilia. Use your imagination!

Community Service 6/2014

High school students are required to volunteer in the community 40 hours before graduation and document service with the guidance office. Community service begins the summer before their freshman year. The majority of this is done independently, outside school hours. Hours must be done outside of the student's own local church. (A maximum of 20 hours may be earned on mission trips.)

In the past, SJCS classes have participated in school-day community service days, arranged by the principal, when students spend an afternoon serving at various locations in the community. Hours from these school-sponsored community service days may be included in the required forty; however, each student is responsible for filling out a community service form.

Students must submit community service forms by the last day of the semester that the service occurred. Summer service documentation is due by the end of the first quarter.

Drama

Subject to eligibility, students may participate in the all school play presented annually in the spring.

Field Trips

In connection with their classroom studies, students may take various educational field trips throughout the year. These trips are an integral and exciting part of learning; therefore, it is expected that each student will attend. One benefit of field trips is that students are disciplined in the art of self-control and gracious deportment in various situations, in addition to the field trip's educational value. Parents will be notified in advance of the specifics concerning each field trip.

Field Trip Fees and Release Forms

An annual field trip release/emergency medical form is included in the enrollment packet, and must be completed for each student and signed by both (custodial) parents and returned to the school office. One copy of each student's form is to be kept on file in the school office for the entire school year. A yearly field trip fee is charged to cover expenses for the events.

Field Trip Behavior

Students are expected to use good behavior and respect the rights of others while on field trips. All school rules apply while on field trips.

Field trip transportation

The school bus is used to transport secondary students on field trips.

Music (Band/Vocal)**

High school students may audition (early fall) for All District Choir or All District Band, a single day of rehearsal and fellowship with other area musicians under the direction of an accomplished conductor, which ends with a concert in the evening. Juniors and seniors selected for All District Choir/Band may audition for All State Choir/Band. Participation is facilitated through the band director and vocal music teacher.

St. Joseph Christian's high school choir and band as well as individuals and small groups may participate (spring) in the district music festival. Students who wish to participate with a vocal or instrumental solo/group may contact the appropriate teacher for additional information. Individuals and small groups who achieve a one rating advance to the state level.

National Honor Society

The National Honor Society (NHS) is the nation's premier organization established to recognize outstanding high school students. More than just an honor roll, NHS serves to honor those students who have demonstrated excellence in the areas of Scholarship, Leadership, Service, and Character. These characteristics have been associated with membership in the organization since its beginning in 1921.

Today, it is estimated that more than one million students participate in activities of the NHS. NHS chapters are found in all 50 states, the District of Columbia, Puerto Rico, many U.S. Territories, and Canada. Chapter membership not only recognizes students for their accomplishments, but challenges them to develop further through active involvement in school activities and community service.

Membership is an honor bestowed on students who meet selection criteria; students do not "apply" for membership. Students wishing to achieve membership in NHS should begin developing strength in the areas of scholarship, service, leadership, and Christian character as freshmen, continuing throughout high school.

The NHS application process begins in January and the induction ceremony is held in the spring.

Selection Standards: An eligible candidate must be a junior or senior who has attended SJCS for two consecutive semesters.

Scholarship: Candidate must have at least a 3.5 cumulative GPA.

Leadership: Candidate must provide thorough answers on the leadership questionnaire.

Service: A junior candidate must have completed 30 community service hours.

A senior candidate must have completed 40 community service hours.

Character: Candidate must provide thorough answers on the character questionnaire.

Process

A faculty committee gives consideration to eligible candidates who have met selection criteria. All decisions of the committee are considered final and received in good faith by the administrator. Parents may inquire regarding their student's eligibility; however, the committee is not obligated to produce specific information concerning the selection process.

School dance/Prom

This type of activity provides our students and teachers alike the opportunity to experience classical and tasteful dancing in an atmosphere of fellowship and community. Groups desiring to hold such an activity must present a detailed proposal to the administration for approval. Once approved, the sponsoring group is responsible for organizing, promoting, hosting, and cleanup of the event.

- Must be sponsored by the student council (first semester) and the junior class (spring - prom). However, neither group is required to organize a dance.
- A detailed proposal must be submitted to and approved by the administration before an announcement of the event is made to students/parents and must meet the following criteria:
 - All music/lyrics must be approved by the administration.
 - Slow dancing that is modest may be allowed when there is space between individuals, with one hand held, one hand on side.
 - No inappropriate dance moves will be permitted.
- Appropriate dress code adherence is expected (see dress code section). For ladies' gowns, the administration assembles a panel of volunteers to pre-approve dresses. Failure to comply with SJCS modesty requirements can result in termination of the event.
- One chaperone must be provided for every ten students in attendance.

Student Council (STUCO)

Class representatives

Each class (7-12) elects a STUCO representative. Students wishing to run for office must have at least a 2.5 GPA and complete a candidate application form. Candidates for class representatives do not campaign.

President/vice president

Candidates for STUCO president and vice president:

- Run independently
- Must be a junior or senior
- Must have at least a 3.0 GPA
- Must complete a candidate application
- Campaign for two days
 - May use campaign posters
 - Present a campaign speech to the student body.

Yearbook

The SJCS yearbook (preschool through twelfth grades) is assembled during the school year by a staff of high school students. Yearbooks are pre-sold and delivered in the fall for the previous school year. Any interesting photos, as well as support through advertising to keep the cost of the yearbook reasonable, are appreciated.

Safe at School...

Though recent school crises have brought safety issues to the forefront, statistically, school is still one of the safest environments for your child; and St. Joseph Christian School is one of the safest schools in the area. Our security system is state of the art, and emergency drills are held on a regular basis throughout the school year. All staff members are trained in emergency procedures, and administrators have trained with local law enforcement personnel.

- Our school receptionist diligently monitors activity outside the school building during school hours. If a visitor will not give a name or does not have a viable purpose in visiting the school, s/he is not allowed to enter. *All* visitors are required to sign in at the elementary or high school office.
- In the event it is not secure or is unsafe to remain on campus, students may be relocated to the alternate safe site at Word of Life Church (north of the school at Riverside and Cook) where parents may pick up and sign out their child(ren) when safe.
- During drills and in emergencies, staff members carry with them an emergency bag containing a student roster, some medical supplies, and a list of parental contacts.
- If you should hear that the school is experiencing an emergency, *please do not try to call your child's cell phone*. In some cases, the ringing of a cell phone could cause a catastrophe.
- Students are not allowed to leave the school building without permission during school hours.
- SJCS administration will always follow directions of local law enforcement emergency management in an emergency.

Here is what we are doing to ensure the safety of your child in the event of an emergency.

Severe Weather: The administration will monitor threatening weather conditions. In case of a tornado threat, teachers will direct students to the Weather Safe Zone.

Smoke, Fire, Chemical Leak, Bomb Threat: Students will be directed to evacuate the building immediately in an orderly manner as directed by their teachers, leaving behind all belongings, and proceed to the Outdoor Safe Zone. Administrators will leave the building last, "sweeping" for anyone remaining in the building.

Physical Threat/Armed Intruder: Response to these emergencies may vary. School personnel are trained to use the **ALICE** model:

ALICE – *Giving students & staff permission to use their God given instinct to survive.*

Alert – the existence of a threat is communicated.

Lockdown – A semi-secure starting point from which survival decisions are made. If able, evacuate; if unable to evacuate, secure the room.

Inform – Use any means necessary to pass on real time information about what's happening.

Counter – The use of simple, proactive techniques if confronted by an intruder.

Evacuate – Get away from the danger zone as quickly as possible.

Prohibition of Persons Guilty of Sex Crimes/Registered Sex Offenders: SJCS

prohibits all persons who have pled guilty or no contest to or have been convicted of and/or found guilty of sex crimes, or persons registered as sex offenders of being or within 500 feet of any school building, school property, school activity, or any vehicle used to transport students (Refer to Missouri State Statutes 566, 568, and 573). The school board may make rare exceptions for parents, guardians, or custodians of students enrolled in the school if the person's presence is necessary to transport the student, may benefit the student educationally, or in situations where the parent, guardian, or custodian will be supervised at all times.

We continue to review and upgrade our safety plans and procedures. Information on safety is regularly provided to students and staff. Thank you for supporting the SJCS staff as we labor to make St. Joseph Christian School a safe and pleasant learning environment for your child.

PROCEDURES FOR REPORTING ALLEGED OR SUSPECTED CHILD ABUSE

In accordance with state law and school policy, school staff are obligated under penalty of fine and jail term to report the reasonable suspicion of physical abuse, sexual abuse, or child neglect. In this very serious and legally narrow area, the school will not contact parents in advance of making a report to authorities, which would be the procedure followed in other legal matters. The clear intent of the law, based on the seriousness of the crimes listed above, is to mandate that a report of legal suspicion of abuse be made. School staff will make such reports in the best interest of the affected child, and do not, once reasonable suspicion is established, have any legal alternative except to make the report to the proper authorities for their investigation and review.

Protecting Your Child Against Child Abuse (Adapted from the Boy Scouts of America)

Parents can best help their children prevent child abuse through education and guidance. Talking with your child about preventing abuse is the best way to fend off assault.

More than three million child abuse reports are made each year. An abused or neglected child is one who is harmed, or threatened with physical or mental harm, by the acts or lack of action of a person responsible for the child's care. There are many kinds of child abuse.

Physical Abuse

The deliberate injury of a child can stem from unreasonable punishment, or by punishment that is too harsh for the child. It can include injuries such as bruises, broken bones, burns, and abrasions. Children experience minor injuries as a normal part of childhood, usually in predictable places such as the shins, knees, and elbows. Injuries in soft-tissue areas on the abdomen or those that don't seem typical of childhood injuries may be physical abuse.

Emotional Abuse

Ridicule, rejection, blame, unfavorable comparison, or expecting too much of a child is emotional abuse and is just as harmful as other forms of abuse. It can damage the child's self-concept, and, in extreme cases, can lead to developmental problems and speech disorders.

Neglect

Neglect is when the persons responsible for the child's care do not provide food, clothing, shelter, medical care, education, and supervision. If these basic needs are deliberately withheld, neglect must be considered.

Sexual Abuse

When an adult or an older child uses his or her authority over a child to involve the child in sexual activity, it is sexual abuse, and that person is a child molester. Sexual abuse includes any activity performed for the sexual satisfaction of the molester. The molester might use tricks, bribes, threats, or force to persuade the child to join in sexual activity.

Few sexually abused children tell anyone that they have been abused. Children are usually told to keep the abuse secret. This could involve threats, bribes, or physical force. Children may feel responsible for the abuse and fear an angry reaction from their parents. It is important that parents keep lines of communication with their children open and that they watch for signs of sexual abuse.

Generally, children do not lie about sexual abuse. However, most children do not report their abuse, so parents should be alert for other signs including:

- Hints, indirect messages—Refusing to go to a friend's or relative's home for no apparent reason.
- Seductive or provocative behavior—Acting out adult sexual behavior or using sexual language a child his/her age is unlikely to know.
- Physical symptoms—Irritation of genital or anal areas.
- Self-destructive behavior—Using alcohol or drugs, deliberately harming him/herself, running away, attempting suicide, or sexual recklessness or promiscuity.
- Unhappiness—Undue anxiety and crying, sleep disturbances, or loss of appetite.
- Regression—Behaving like a younger child, thumb sucking, or bed-wetting.
- Difficulty at school—sudden drop in grades, behavior problems, or truancy.

Talking with Your Child about Sexual Abuse

- Parents often feel uncomfortable talking about sexual abuse with their children. It is best to not hide your uneasiness as the child may misinterpret your anxiety and be less likely to approach you if they need help. Say something like, "I wish we did not have to talk about this. I am uncomfortable because I don't like to think that this could happen to you. I want you to know that it's important and you can come to me whenever you have a question or if anybody ever tries to hurt you."
- Children are developing an awareness of their own sexuality and need parental help to sort out what is and what is not exploitive. Children need specific permission to ask questions about relationships and feelings. Nonspecific "good touch, bad touch" warnings are insufficient, since most of the touching they experience might be "confusing touch." Adolescents also need parental help to set boundaries for their relationships with others—an awareness of when they are being controlling or abusive.
- Many children feel it is more important to be "cool" than it is to ask questions or seek parental assistance. Your child might resist discussing this material with you. He or she might be giggly, unfocused, or restless. They might say they already know about sexual abuse. That's all right. Ask them what they know, and just let him or her know that if and when he or she has a question or problems they cannot handle by themselves, you will help them.

If Your Child Tells You About Abuse

- **Don't** panic or overreact to the information your child tells you.
- **Don't** criticize your child or tell your child he misunderstood what happened.
- **Do** respect your child's privacy and take your child to a place where the two of you can talk without interruptions or distractions.
- **Do** reassure your child that he or she is not to blame for what happened. Tell him or her that you appreciate being told about the incident and will help to make sure that it won't happen again.
- **Do** encourage your child to tell the proper authorities what happened, but try to avoid repeated interviews that can be stressful to the child.
- **Do** consult your family doctor or other child abuse authority about the need for medical care or counseling for your child.

You should show real concern, but NOT alarm or anger, when questioning your child about possible sexual abuse.

Student Sexual Harassment Policy

This school is committed to maintaining an academic environment in which all individuals treat each other with dignity and respect and which is free from all forms of intimidation, exploitation, and harassment, including sexual harassment. This school is prepared to take action to prevent and correct any violations of this policy. Anyone who violates this policy will be subject to discipline, up to and including termination or expulsion.

Definition of sexual harassment

"Sexual harassment" means unwelcome sexual advances, requests for sexual favors, and other verbal, visual, or physical conduct of a sexual nature, made by someone from or of the work or educational setting, including, but not limited to, that occurring under any of the following conditions:

1. Submission to the conduct is explicitly or implicitly made a term or condition of an individual's academic status or progress.
2. Submission to, or rejection of, the conduct by the individual is used as the basis of academic decisions affecting the individual.
3. The conduct has the purpose or effect of having a negative impact upon the individual's academic performance, or of creating an intimidating, hostile, or offensive educational environment.
4. Submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through this school.

Examples of sexual harassment

Unwelcome sexual conduct of this type can include a wide range of verbal, visual, or physical conduct of a sexual nature. The following are among the types of conduct that would violate this policy.

1. Unwanted sexual advances or propositions.
2. Offering academic benefits in exchange for sexual favors.
3. Making or threatening reprisals after a negative response to sexual advances.
4. Visual conduct such as leering, making sexual gestures, displaying sexually suggestive objects or pictures, cartoons, or posters.
5. Verbal conduct such as making or using derogatory comments, epithets, slurs, and jokes.
6. Verbal abuse of a sexual nature, graphic verbal commentaries about an individual's body, sexually degrading words used to describe an individual, suggestive or obscene letters, notes, or invitations.
7. Physical conduct such as touching, assaulting, or impeding or blocking movements.

Employee-Student Sexual Harassment

Employee-student sexual harassment is prohibited.

Student-Student Sexual Harassment

Student-to-student sexual harassment is prohibited.

Student-to-employee sexual harassment is prohibited.

What to do if you experience or observe sexual harassment

Students who feel that they have been subjected to conduct of a harassing nature are encouraged to promptly report the matter to one of the school officials designated below. Students who observe conduct of a sexually harassing nature are also encouraged to report the matter to one of the school officials designated below. Employees who feel that they have been subjected to conduct of a harassing nature or who observe or otherwise have reasonable grounds to suspect the occurrence of a conduct of sexually harassing nature shall report the matter to one of the school officials designated below, and shall in addition, report to the Missouri Division of Family Services within twenty-four hours of becoming apprised of same, any matter, including abuse or neglect of a person under the age of eighteen by those responsible for that person's care, custody, and control. All complaints will be promptly investigated.

Where to report sexual harassment

The following individuals are specifically authorized to receive complaints and to respond to questions regarding sexual harassment.

Danny Maggart, Secondary Principal

Confidentiality

Every effort will be made to protect the privacy of the parties involved in any complaint. However, the school reserves the right to fully investigate every complaint and to notify a student's parent/guardian and appropriate government officials as the circumstances warrant.

Protection against retaliation

It is against the school's policy to discriminate or retaliate against any person who has filed a complaint concerning sexual harassment or has testified, assisted, or participated in any investigation proceeding or hearing concerning sexual harassment.

Procedure for investigation of the complaint/corrective action

When one of the school officials designated in this policy receives a complaint, he or she shall immediately inform the principal. The principal will direct an investigation. If the principal is alleged to be responsible for the sexual harassment, a school administrator will direct an investigation. In either case, should the investigation confirm the allegations, prompt corrective actions shall be taken, provided, however, that any teacher, principal, school official (or volunteer exercising supervision over students during a school-sponsored activity) who observes or otherwise has reasonable grounds to suspect the occurrence of an incident of abuse or neglect of a person under the age of eighteen by those responsible for that person's care, custody, and control, shall report such incident or cause such incident to be reported to the Missouri Division of Family Services within twenty-four hours of being apprised of the same.
